Dr Gales is former Chief Scientist of both the Antarctic Division and the Department of the Environment, and has had a 30 year career devoted to marine mammal issues – from the tropics to the Antarctic, at local and international scales. Two things have remained constant over this time; his love of the sea and his desire to see good science inform good policy and management. Nick began his career as a veterinarian, working briefly in a mixed animal practice after university, before moving through different roles and working his way to become Director of one of Australia's unique and iconic organisations in August 2015.

Venue: Australian Institute of Sport;

Pres. Mez welcomed all and had us sitting in our committee groups for us to chat and plan for things to come.

This we did with dedication and consideration to the tasks to come in the rest of the Rotary year.

Don't forget to respond to NYSF Home Hosting in January and also to Farmers' Markets Xmas party on the 19<sup>th</sup> Dec.

Don't forget! Would love market reports to be sent to me by the Sunday afternoon so that I can complete the Jerraganda in a timely fashion. Any photos would also be great – just email to me on:  
[chris.hunter@det.nsw.edu.au](mailto:chris.hunter@det.nsw.edu.au)

Any reminders or extra news, also just email me a reminder to include them. All inclusions welcomed!

Enjoy,  
Chris Hunter

## **HOME HOSTING FOR NYSF – CAN YOU HELP?**

As mentioned in late October, the National Youth Science Forum will be held again in January 2016. As the host district, we offer home hosting to the 200 students who will be attending each of the NYSF sessions. The home hosting will take place on Sunday 10th and Sunday 24th January 2016. The key responsibilities of a home host are:

- Collect the student from Burgmann College at ANU on the Sunday between 0800 and 1000.
- Provide them with a lunch and a dinner.
- Give them access to a washing machine and somewhere to dry their clothes
- Return them to ANU between 1930 and 2000.

This is a recuperation day for the students. Many of them will wish to 'veg out'. If you have a spare bedroom, that is great but otherwise the lounge or carpet will do the trick. The preference is that you do not fill their day with activities, they get plenty of that from NYSF.

If able to help with home hosting one or both of the Sundays, you can register via the District web site. Tony Trumble is advised by the registration system when you register. Rotaractors and their parents are also very welcome home hosts.

If encountering difficulties with registration for home hosting, emails can be sent to Tony Trumble at [trumblerotary@gmail.com](mailto:trumblerotary@gmail.com)

In addition to home hosting, there will be a Rotary dinner on Thursday 7th and 21st of January at the Hellenic Club. This is an opportunity to meet all of the students and if you are home hosting, you can meet your students beforehand. The cost is \$40 and registration should be done via the District web site.

At the moment we have hosting offers for 80 students over the two sessions which means we are way short of what is needed. Could Club Presidents and AGs please encourage Rotarians to host when they can. Tony Trumble as the NYSF Chair will personally contact presidents and ask for assistance.

In addition to the home hosting, Rotary caters for the Swing Dance on Wednesday 6th and 20th January. Tuggeranong has offered to cater for the 20th but a club is still needed for the 6th. This is to provide a meal and drink for about 230 students. You would have access to Albert Hall from 1730 and should be finished by 1900 - the students will be swinging by then. NYSF will pay for the cost of the meal, what is required from a club is an estimate, an organizer and the workers. If able to help. please contact Tony Trumble

**This week's report:** By Jan

A damp morning at the Markets with David and Vicki but we still had a good time.

Fairly quiet. Was told by the wife of the driver of a fairly small car that the “parking set up was bodgy”. Apparently the pair had driven in through an open gate and could not get out – I looked up to my left and husband was driving through the pedestrian gate near the toilets! (Obviously how they got in!!) 3 x “Where is the ATM?” between 8.40am and 9.15am. One set of car keys claimed and one walking stick also claimed. Despite the wet weather, the customers looked quite happy and smiling and pleased to be “hunting and gathering”. The Christmas Twilight Markets are from 2pm -6pm on 22nd December.

Adrienne requested 10 cook books for the CEO of SnowySouthcare (Chris Kimble) who thanked us for our services to SouthCare and asked to be remembered to those of us he met at various fundraising events.

### OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

**“Doing Good and Having Fun”**
