Weekly Headlines

WELCOME TO OUR GUEST SPEAKER, CHRIS NUNN!

Mr Chris Nunn – An Inspiring Story of Success!

He is best known for his early career in international level athletics, and later for working with and coaching athletes who have broken world records, and/or won Olympic and Paralympic gold medals. Teams he has been involved with have become the best in the world and the coaches developed under his tutorage are now producing many of Australia's best athletes. He has also travelled extensively throughout the Pacific region developing strategies for sustained organisational improvement.

He now specialise in training leaders and managers to understand their staff and develop strategies to enhance productivity and increase workplace engagement.

Chris has qualifications in elite coaching, a Diploma in Leadership Coaching and Mentoring, a Bachelor of Education and has worked in this field for almost 30 years across numerous sporting organisations, where clients ranged from developing novices to elite performers. He was awarded an OAM for his service to people with disabilities.

Dear Everyone,

David Stevens is better and back with us again but with some sad news. Our condolences to David on the passing of his brother in the UK. Unfortunately he is unable to fly back to England due to his own health but our thoughts are sadly with him on this occasion.

Condolences, David from all your Rotary friends.

PLEASE,
Don't forget! Would love **market reports** to be sent to me by the Sunday afternoon so that I can complete the Jerraganda. Any photos would also be great – just email to me on:
chris.hunter@det.nsw.edu.au
Any reminders or extra news, also just email me
Enjoy,
Chris Hunter
Editor

Chris's speech was inspirational and sensational! His father saying of, "Leave the world a better place than how you found it" is certainly true of Chris's work. Instead of putting his efforts into the elite sportspeople of the world, Chris has chosen to work with people with disabilities and aim for the Paralympics and for Australia to be the best in this area. He is achieving this!

He commented that there are two types of paralympians – those who are there because they think they deserve it because they are disabled and those who just want to be there and do the very best that they can and have the experience. He has a dream that the Paralympian team will be the best in the world and he is chasing that dream.

Chris quoted: "All our dreams will come true if we have the courage to pursue them." – Walt Disney and this is the adage he works to and inspires others to work towards.

His latest project involves "Oceania – Islands of Opportunity" and he is working with Pacific islanders and Papua New Guinea. It will be a challenge but Chris's drive and passion will see him achieve.

What an inspiring presentation! Chris, we wish you well on this noble journey.

Listening in awe and wonderment!

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

"Doing Good and Having Fun"
