Dear Everyone,

No Pres. Mez – so Paul Robey had to fill in again! We had a very informal meeting and drank all the port and Baileys so..... Mez – better stock up on the way back through Customs.

BIG NEWS!!

We were successful with our Volunteer grant application for upgrading our equipment!

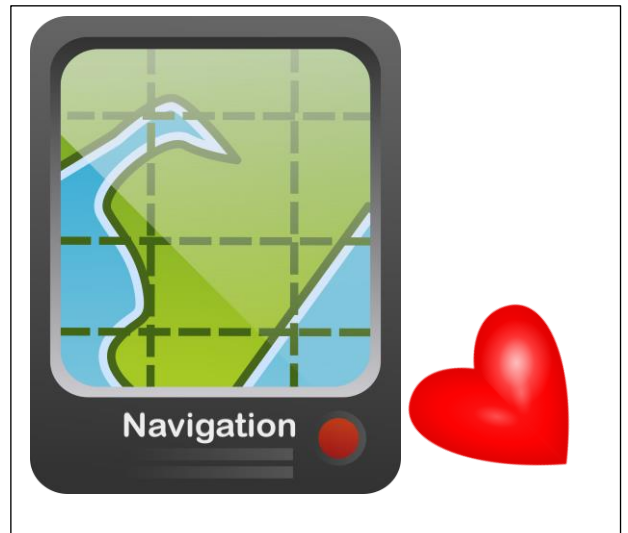

Well done to Paul Robey and his fellow committee members!

PLEASE,

Don't forget! Would love **market reports** to be sent to me by the Sunday afternoon so that I can complete the Jerraganda. Any photos would also be great – just email to me on: chris.hunter@det.nsw.edu.au
Any reminders or extra news, also just email me
Enjoy,
Chris Hunter

JUST FOR FUN!! Thanks, Anton

I have a little Satnav, It sits there in my car
A Satnav is a driver's friend, it tells you where you are.
I have a little Satnav, I've had it all my life
It's better than the normal ones---*my Satnav is my wife.*
It gives me full instructions, especially how to drive
It's sixty miles an hour, it says, "You're doing sixty five!"
It tells me when to stop and start, and when to use the brake
And tells me that it's never, ever, safe to overtake.
It tells me when a light is red, and when it goes to green
It seems to know instinctively just when to intervene.
It lists the vehicles just in front, and all those to the rear
And taking this into account, it specifies my gear.
I'm sure no other driver has so helpful a device
For when we leave and lock the car, it still gives its advice.
It fills me up with counselling, each journey's pretty fraught
So why don't I exchange it, and get a quieter sort?
Ah well, you see, it cleans the house, makes sure I'm properly fed
It washes all my shirts and things, and keeps me warm in bed!
Despite all these advantages, and my tendency to scoff,
I only wish that now and then, I could turn the bugger off!!!

MESSAGE FROM JUDE CRAWFORD....

Thank you Chris
Another very enjoyable Newsletter...

I had intended responding a couple of issues ago when noted Jan was unwell and in hospital. Being a procrastinator, I felt I must respond to Jan's toast to the RC of East Perth on the 19th! Thank you Jan.

The East Perth Club has hit bad times, with no one able to take on leadership roles into 16/17, including myself, and will be voluntarily handing back our Charter come 30 June 2016. We have one Charter member who has a 100% attendance for 47 years of being a Rotarian... So sad we could not continue another few years... I am undecided on where I will join for 16/17. Over here a morning meeting works well so will visit breakfast clubs to make a decision!

Personally, it has been a very busy 6 weeks here in Como, interspersed with 5 days R & R at Rottne Island 2-6 May, our holiday isle!! A week later, 17-21 May, took a flight to Singapore to meet with daughter one, Rebecca from Switzerland. Can manage 5hr flights, not 30 to Zurich!
Cannot travel as once did... need regular Nanna naps!!

I've been taken off a few medications which has settled the digestion, quite a difference but still tire very easily!

A visit to daughter 2, Naomi n family, in Karabar is planned for late Nov, into December and January 2017...

Hope to catch u with you all b4 the year is over!!

**** Jude, we look forward to the end of the year and seeing you then.**

A community project of The Rotary Club of Hall

Report this week by: Anton (Sorry – no money information!)

On “International Cabbage Day” at the markets.

Well, that was my theme anyway, so as people were welcomed to the markets they were informed about “International Cabbage Day”

The results being high demand on Cabbage. Considering the misting rain and the hint of winter in the air the markets were busier than expected.

The reports from the stall holders was positive and at the Rotary Information Stand life was kept steady.

One gold watch handed in to lost and found. One drivers licence handed in a couple of weeks ago was passed onto Adrienne to drop off to the owner’s home at Cook.

No problems at all just a lot of happy market goers enjoying the day of the Cabbage.

Reminder on times – Arrive 6.45 am / Set up by 7 am / Parking by 7.30 am / Finish Parking at 11 am / pack up at 11.30 am

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
