Weekly Headlines

TRAVELS WITH PRES. MEZ!!

A couple of photos you might like to include in the Jerraganda.

I am aware of a couple of rumours regarding my injury. Let me clarify. I was at my cousins house and missed the second step in her house which was the same colour as the carpet. I was sober, didn't fall over, just slammed my foot into the step.

The second photo is showing I am still standing! With Eric Morecambe.

And the last photo is of me and David cruising down the river Seine in Paris, Liz did not come to Paris with me. Just

Says it all really!

Dear Everyone,

YES! She's back!
Crutch in hand and

GUEST SPEAKER TONIGHT – Caitlin Callan

TREEHOUSE – SPECIAL NEEDS in QUEANBEYAN

Caitlin has been with the organisation for 2 years (today!). She has also been involved in other organisations for many years involving social issues, women's justice and Aboriginal issues. She is very aware of the types of issues faced by this local organisation. The old name of Children's Special Needs Groups needed re-branding and so the name The Treehouse was developed. This seemed far more friendly. This organisation looks after children with special needs and disabilities.

The group never turns anyone away and they assist wherever possible. They provide learning and structured programs. They assist getting children into school. Children have to be under 9 yrs of age and needing assistance. Treehouse will assist with funding. NDIS – money will be paid to parents and not organisations. An insurance / outcomes scheme.

“This just came through on LinkedIn from Rotary Paul Harris Society. A really positive move. I will send through the next update I get.

Flexibility in meeting frequency, format, and attendance

Council on Legislation representatives voted overwhelmingly to eliminate limitations on how Rotary clubs conduct their meetings. They also recognize that club health is not determined by attendance alone. The RI Board and Council representatives agree that individual clubs should be able to:

- *Determine the best day and time for their meetings*
- *Change or cancel a meeting, if the need arises*
- *Count service projects or social events as meetings*
- *Choose whether to gather in person, meet online, alternate between online and in-person meetings, or even use both formats at the same time (for example, a member could participate in an in-person meeting online through video chat)*
- *Amend their bylaws to either relax or tighten attendance requirements and policies of terminating members for poor attendance*

Rotary clubs now have the option of reducing their meeting frequency as long as they meet in some way at least twice per month. They are still expected to forward attendance reports to the district governor within 15 days of the last meeting of each month.

The recent Council on Legislation decisions do not modify the current rules of the Standard Rotary Club Constitution. Clubs that want to adopt these changes will need to amend their bylaws. Clubs that wish to continue to adhere to the traditional requirements regarding meetings, attendance, structure, or categories of membership may do so."

A community project of The Rotary Club of Hall

Report this week by: *Pierre Jarvis*

Bruce, Sue and Peter arrived at the Markets as the rain began to fall. Made me think of Slim Dusty's first recording, "When the Rain Tumbles Down in July." Slim lived at Nulla Nulla Creek out of Kempsey and I played cricket for the Nulla Nulla team but we only met at the Knickerbocker

Hotel in Bathurst in 1963 where I enjoyed a few beers with him. I think that's where he got his inspiration to write his next song....."I'd Like to Have a Beer With Duncan."

We had the stall erected very quickly to keep the wind out. A steady stream of bedraggled shoppers arrived but in good spirits.

Bruce and Peter alternated on the gate with a changeover every 30 minutes to dry out. Sue stayed snug and dry on the Stall in between food purchasing forays. She had a Credit Card handed in at the Rotary stall as well as new spectacles which were both claimed.

We were approached by two attractive young ladies who wanted to have a demonstration of Swing Dancing at the markets with their group. They were referred to Adrienne, the Market Manager, but not before we asked if they would like to join our Rotary Club so we could have Swing Dancing nights. They didn't say no, so more follow up required.

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
