NEWS FROM FREDA AND FITZ:

By all reports, Fitz is thriving and recovering more each day from his extensive surgery.

I am sure Freda and Fitz are still struggling with the cold but it will all be worth it.

Hey everyone,
Wow! What an adventure I am having!

I hope you are well and enjoying your time as much as I am. I have been doing a lot of travelling since my last update... a lot, you see I am on summer holidays right now enjoying the sun, for the past three months. It's such a long holiday it means I can see more of the USA than most other exchange students (Australia does its exchange from January to January, everyone else does August to June) which means I am one of few students who are able to have such a long break.

When the school year finished, I was out and about almost every night with friends meeting new people and seeing new sights in and around the DC area; including my uncle Daniel who was in the area with work. After around 15 days of summer, I was ready to embark on the BELO West Coast U.S.A tour, covering most of the west coast including The Grand Canyon, Las Vegas, California, L.A, Yosemite and many, many more sights. I was overwhelmed when I arrived to meet 60 other Rotary students who I would be travelling with, all equally as excited as I was.

We began the tour in Nirvana exploring some old towns and interesting land forms along the huge desert, that night was a disruption for anyone even close to the hotel pool... 60 people and loud music = fun. The Grand Canyon was the next step in the journey with a hike to the bottom estimating an 8 hour trek there and back, fortunately enough it only took me and Bernardo (the Brazilian) a good 2 there and 2 back, running down and back up. The group continued to Las Vegas where we spent two days in heaven. We rode limos, party buses and even watched a show in ceases palace. Hollywood was next on the list, with a stop at universal where I got to know three gorgeous girls in the group, we spent that day on rides and tours of movie stuff. L.A was last, walking up and down the golden gate bridge (also got to see Alcatraz). It was sad to see everyone leave but me.. (they all went home to their countries but me).

When I arrived home I was surprised by my host family who had arranged for me to travel with them to Florida for a week! It was a lovely gesture and I spent that time on the beach and in the pool..never once leaving it and I loved it. It was nice of me to spend some time with my family before I said goodbye to them, you see I was moving host family after this trip with them.

I was soon in the car headed my way up to Connecticut for the Rotary District conference, It took 16 hours to get there.. it was terrible. but eventually we made it and I had a decent time sharing stories with Rotarians over dinner. The way back was worse.. the van I was in broke down half way..

when I arrived in my final destination of Culpeper (a small town in VA) I was staying with a family for two weeks; during these two weeks I was enrolled in Shrek the musical where I played the part of the bishop.. two lines.. (all part of the experience). Halfway through my stay the father invited me to tag along in a corvette road trip, where his two brothers all drove there corvettes to the factory where they are made, this took three days in three corvettes. It was awesome.

I didn't even get back to Ashburn before I was taken to the beech once again with another family for 6 days.. nice waves and a good pool.. that made for an all-round good time.

In the next few days Broad Run (my school) is having there football trials, hopefully my rugby skills have paid off and i will make the team.. if so.. i will play in front of thousands of people every week.

Kind regards,

Will

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
