## Presidents Welcome & Report

President Richard – Darryl Brown and his wife donated a pillow for ROMAC. They have been hoping to raise \$25000. Our club is contributing \$500 towards this as discussed at the Board Meeting.  
Richard's friend, Conal, has also most generously donated \$300 towards this cause (in lieu of using one of Richards cars!) ROMAC is a Rotary project enabling severely injured/deformed children from countries in the Oceania region to receive medical treatment by bringing them to Australia or New Zealand. The cost of each operation can be upwards from \$25000. All funds gratefully accepted.

## Reports

### Club Service Allan :

61 members have paid for the Changeover Dinner. Everything is on track for a fabulous night. First of the fundraiser BBQ kicks off pretty quick on 1<sup>st</sup> of July. The roster was then sent around to fill in a few more spots. Members please do consider coming along and helping.

**Charles :** Luca is flying back to Germany on the Friday, 13<sup>th</sup> of July. Eric and Kay are dropping him off at Brisbane airport. If anyone else would like to go, please get in touch to share a ride. A couple of other members are also going along to wish Luca farewell. We all wish him the very best and hope to see him back in Australia. Eric also mentioned that Luca has been a model student and scored a high percentage (98%) in his exams. He is one of the best students in his school. Full credit to Luca. Well done! Safe journey back home Luca.

**Jacki, Incoming Youth Director:** Rotaract Meeting at the surf club every other Monday evenings. Next one is this coming Monday. Would be great to have a few more Rotarians attend and support

## Reports cont.

**Treasurer John:** Membership dues are due now! 30<sup>th</sup> of June is the last date. Please commit / pay as soon as possible so that our club can report the correct numbers to Rotary International. It is possible to pay half the amount now and the other half in December. Please get in touch with me for this option. Any member not committing or paying by this date will unfortunately lose their membership to our club.

**David, Scooter Project :** 48 scooters out in the community. David is trying to get Hope Island Rotary club involved in this project as well. Broadbeach Rotary did come on board and manage a fleet of 50 scooters at the present time.

**Other: Renee,** Coordinating a fundraiser with Andy for Currumbin Special school. Andy and Renee going along to the school this morning to discuss holding a Xmas Art Exhibition. 5 of the best art work to then be converted to cards and sold. The judges would be Renee, Andy, the principal and the Art Teacher. All costs of about \$700 to be underwritten by Lite n Easy. The return they are hoping will be around \$3000. More cards can be re printed and sold if successful.

## Guest Speaker: The one and only Alpha Bravo

Allan ran a quick tutorial on Club Runner and its features. The topics he covered were briefly on how to log into Club Runner. Club Runner can assist all members to access emails and phone numbers of their fellow Rotarians by going into 'My Club Runner' and 'Club Directory' Please be aware that this information cannot be used for personal or business use. It is only a means of communication between members. Members can also check their attendance and make sure it is all up to date. Another useful feature that members can access is emailing through the club runner. If there are any questions on how to go about this please contact Allan or Charles. Also members who have not accessed their account for a while, please contact Allan or Charles for their username and password.

Allan also briefly covered our Club Structure. Positions are vacant Club Admin and Public Relations. If any member is interested and willing to help, please get in touch.

Scooter Project being managed by David U can do with some help. Members please do consider.

Future projects that have been suggested are Mothers Day Flowers, Cricket, Fight for Youth .. Trevor and Zac to be contacted if any member can help with the organisation and running of these projects.

An art fiesta is being planned for 25<sup>th</sup> 26<sup>th</sup> May of next year. More on that closer to time !

Future BBQ events to be coordinated and run by Shamus.

Community and Vocational projects ongoing. Global Grant with RI is our major project for this year.

International still run by Bren. Polio Plus fundraiser target is \$2100. PHF (Paul Harris Fellow) subcommittee TBA.

Members please do be aware that Membership (Shobha) and Club Admin can do with your support.

Emily Campbell spoke briefly and eloquently on YEP (Youth Exchange Program) that our club is sponsoring her for. She will be travelling to Italy and she was very grateful to her dad, Julian and our club for this fantastic opportunity. Her family have been a host family for visiting YEP kids and she always wanted to have this opportunity to learn, grow and meet fellow Rotarians who do inspirational work. Emily also went to RYPEN (Rotary Youth Program of Enrichment) and made friendships and connections that have lasted the distance. Dad John also spoke briefly of his experiences as a Rotarian and he though he has been involved in a lot of these programs with Rotary it was his first time to be an 'outbounder' dad. Though nerve wracking he is extremely happy to trust strangers with hosting his daughter as they are all Rotarians ! The club observed a minute silence for Ray Andrews. Thoughts and prayers to the Andrews family.
