"discoDtours" out of Moove and Groove founder and Liveable communities

A Silent Disco for Dementia patients

One aged care home in Sydney was the commencement area for this initiative

400,000+ now diagnosed in Australia with Dementia

In 2017 a NSW Liveable Communities Grant was established to support this program

Customized headsets make the disco SILENT with appropriate movement

30 mins to 1 hour time span for the program

The headphones seem to be the major focus of the activity which maximizes involvement in the patients
