### Youth Director Jacki K

There were 4 applicants for RYTES and all have been sponsored. We are sponsoring 2 of these, Rotaract is sponsoring 1, and 1 by Griffiths Gold Coast.

These three Rotary youth programs (and others) are offered in our district each year. Individual clubs may or may not choose to sponsor a suitable young person (in part or whole) for these special opportunities. RYPEN (Rotary Youth Program of Enrichment) is for 14 to 16 year olds who have demonstrated personal qualities of decency and commitment and who would benefit from the opportunity to enrich these qualities. It is live-in over one weekend.

RYTS (Rotary Youth Transition Seminar) is for young people who are leaving school. It offers them practical life skills at this special juncture in their lives and is conducted in November/December. It is a week long, live-in camp.

RYLA (Rotary Youth Leadership Award) extends the leadership skills of the participants and practises some of these whilst having fun and networking. It is for 13 to 30 year olds and is a week long, live in camp.

Thank you, Ross, for this information

### Secretary Charles

Note from the editor !

I asked a few members to let me know what's been happening in their lives and Sam Fairless sent me a few lines ! Thank you for the quick response and here it is .. a few words from Sam ..

Sam apologizes for not being able to attend lately but has been busy with his Project Management company and interstate projects.

Sam works on many Aged Care and Retirement Living construction projects across Queensland for various non-for-profit and private clients.

Sam and his wife Shanna are also expecting a baby boy due at the end of March 2019! They are both very excited and can't wait for March to come around but will be getting as much sleep as possible in the meantime!

To see the article on the company that Sam started and heads in the GC Bully, head to the link below for a great overview of the work Lead Consultants are doing as leaders in their field.
