Reports

PP Richard

Successful BBQ last Thursday. We raised just over \$1000. We are on call with Bunnings if they have any weekday cancellations.

We also have been invited to a meeting of the Runaway Bay Rotary club on the 14th of August. I will be sending out an email regarding this.

Youth Director Jacki

Interactors Trivia Night on the 1st was very successful. Many of our members attended.

Reminder to support the Rotaracters movie night on 17th August.

International Bren

Great talk about his trip to Europe, particularly on Portugal and Malta. Bren touched upon eating rabbit in Rabit, including the crunchy ears and feet.

He also spoke about the dire need for finding RAWCS a new home and the amazing fact that in the last year, before they had to close the current depot, RAWCS sent overseas to third world countries the equivalent of 74 x 20 foot shipping containers with \$5.25m of goods in them. Which also meant that 2575m³ never went to landfill, so why doesn't our government support this cause more?

Reports Contd ..

New Member Induction

A very warm welcome to new member Joanne Jones. Sponsored by Sam, who is also her son in law. Jo was inducted by President Allan and assisted by PP Ken.

Fines was run by Ken who asked us to tell of a story about the date on the coin they were donating.

Jackie P did the heads and tails. It was quite an extraordinary .. epic .. toss as she knocked out everyone in the first round itself to win the bottle of the best for herself ! What a legend of a comeback.

NO Guest speaker

Angela informed Shobha on Wednesday that she couldn't get a lift in to the brekkie meeting in the morning.

It was just too late to try and drum up someone else !
