Rotary Foundation Andy: Joint meeting with the Currumbin Coolangatta Tweed Club meeting tonight.

Treasurer John: Reminded everyone that dues must be paid by 30th June so that we can report correct number of members to RI.

DIK- Bren: Report from Timore Leste, all went well and all were impressed by the place. Dili is humming but the rural areas are doing it tough. Bren will be away the whole month of July but going to District Changeover on 30th June.

Luca YEP: More water testing in Pizzey Park, now leaving on 13th July to be home for World Cup!

Guest Speaker: Charles Kilby with partner Lisa, on the KOKODA TREK.

Training first at Mt Warning was harrowing on day one yet at end of training they climbed up Mt Warning twice in six hours and enjoyed lunch afterwards

Two teams of twelve

Physically and mentally challenging

Porters carried most of their gear

Aust and PNG have worked hard to preserve the track

6000 treckers make the visit each year now

Highest point is 150 m short of Australia's highest mountain

Torrential rain each night

Ear plugs each night for the loud rushing river and the heavy rain

Sunny every day but dark in the dense jungle

Very moving experience especially on Anzac Day Dawn Service recalling wartime battles and lost personnel

Lisa was sadly injured, breaking her arm, and evacuated by helicopter

Two walker pulled out early and could not cope

Nine days all up and bus back to Port Moresby

One walker was 97 years old and completing it for the fourth time

Great photos, and talk by Charles and Lisa, and also some memorabilia passed around the room.

Charles doing his Steve Irwin impersonation. Crikey!
