John Campbell:

Guest Speaker: Ross Smith – “From Sea to Shining Sea”.

Ross spoke very warmly about his recent length trip to North America. He combined the International Rotary Convention in Toronto with a catch up with friends and family in USA and Rotarians in USA and Canada. He was inspired by the range of remarkable, quality speakers at the Toronto Convention including Princess Anne, Barbara Bush, PM Justin Trudeau and the updates on Rotary projects especially Polio, water provision and Malaria. The fellowship was outstanding visiting with Rotarians, old friends and new, from around the world. He visited Rotary HQ in Evanston, Chicago, to meet with RI President, Aussie, Ian, prior to his Convention in Toronto. He then met his brother-in-Law, Lance Russell, in NYC and they drove up through to New England stopping at Boston and many small seaside villages on their way to visit with Lances family in Maine. Lobster was on the menu at all times. Finally they met his eldest nephew, Ty, in LA to travel to San Francisco for his training of the USA Senior Touch Football team in preparation for the World Cup in Kuala Lumpur, in May 2019. Maybe his favourite memory was riding bicycles in Manhattan over the Brooklyn and Manhattan bridges (on the North Atlantic Ocean), then moving across across to LA riding in Santa Monica Beach on the Pacific and the Golden Gate Bridge in the Northern Pacific - From Sea to Shining Sea.
