International report was shared by Johnny and Bren and there was some great news regarding the High School in East Timor and associated funding. A German Catholic group donated \$100,000 US to the project to rebuild the School, as well as the Burleigh Heads Catholic Parish raising \$30,000 and the Corrugated Iron manufacturing plant in Dili, Timor, donating the costs of the roof trusses and structures in the building process. (Any further info please see Bren or johnny)

Building to commence in about Aug 2016, with a completion date about Feb 2017 (roughly 6 months). Bren and Sue will travel to Timor for the opening in Feb and may be happy to take along some Rotarians to be a part of the spectacle

Membership - Rhonda has resigned from the Club and is now a member of Southport. We wish her well. Sharon also resigned due to work issues and lots of travel, she is currently in the US boosting her Drink Less program and visiting LA and Disneyland/Star Wars!

Scooter - David had 2 visits to clients and a call out even before the meeting started!

Shobha mentioned that her visit to RAWCS with Bren coincided with them being asked to assist in a School book Drive. Any books from Primary Schools that are being thrown out please collect and pass onto RAWCS. Sent to schools in the Pacific Island Nations.

Jacki K spoke of the Anti Ice Forum to be held Wednesday 7th September at Burleigh Heads Surf Club 7-9pm. Looking to promote to educators in the community especially Teachers, Schools, Counsellors etc. Anyone with connections to Schools please contact Jacki K
