- Presented a cheque for \$2,585 to Fanny and Allaine from Riding with Disabled. Club members have sponsored 4 children to attend the classes for the year and also to purchase new riding helmets for the centre.

- Membership Chair Andy spoke about how the good work that Rotary does and the good people we have in our club. We are a strong club and are now the second largest club on the Gold Coast. We also have the largest number of younger Rotarians under 40 than other club in the district. (With 80% Rotarians in Australia are over 70). There are 1,500 Rotarians on the Gold Coast.
- Karen Andrews presented Anthony Z with membership sponsorship pin for introducing Johnny Bueti
- Pres Jo mentioned the lovely service for Doug held at the Infant Savior Church. Doug's family was grateful to meet many of our club members. We will have a copy of the slide show about Doug's amazing life and contribution to the community as a whole.
- Donations are needed for a family whose house burned down in Burleigh Waters last week. For any donations please please contact Wendy Marshall 55812800
- MP Karen Andrews presented Stronger Communities Grant cheque of \$15,000 to members of the Burleigh Community Kindergarten to assist with the rebuild of the verandah area at the kindergarten. We submitted the grant on the kindergarten's behalf last year. With the help and assistance of our club the project should commence later this year. We will be helping out doing working bee's whenever we can to get our hands dirty.

- Anthony modelled our new Rotary at Work high vis vests.
- Marymount Interactors each spoke about the great projects and work they have been doing over these last few months. These included: shipping school supplies to NT, shipped equipment to Saint Terese school, raised \$700 on shrove Tuesday for Caritas, Coats for a Cause - collecting coats and blankets for Rosie's who assist the homeless on the Gold Coast. Their fundraising initiatives include selling fruit ice cups, hot chocolates and hash browns to students. Well done to them all for their great community support and we are so proud of the outstanding leadership group and great ambassadors for Marymount College!

Interact Club of Miami High School Trivia Night

Wednesday night May 25th the Interact Club organized a Trivia Night to raise funds for IAFRIKA, a grassroots organization which provides care for street boys living in Nairobi. It was run in conjunction with Miami High's Healthy Lifestyles Club to promote the charity.

Jacki K, Jo K, Taylor K and Anthony Z went along and joined in the Trivia as well as Steven Jamie, Paul, Emma, Matthew + friend from the Rotaract Club. A fun night with great food cooked by the students, with the Rotaract Team coming Second out of 25 teams! Well done!

Over \$2000 was raised, enough to buy a Cow to provide milk for the boys as well as to sell in the community, providing an ongoing income source.

Interact Club of Marymount College - Ozanam Villa visit for Mothers Day - May 9th (a bit late to report!)

The Interactors organized a wonderful visit to Ozanam Villa. The atmosphere was filled with joy and laughter in the sharing of ideas, stories, singing, games and the youthful presence. They made so many people feel special it took remarkable people with compassion and sensitivity to be part of such an event. It was a privilege to be able to witness Marymount students serve the community in this positive and tangible way.
