Down to business

We were shifted to the balcony due to the Surf Club being very busy, and what a view! Unfortunately, as the morning wore on, so did the Sun and it became very hot!

Jackie K was the Chairperson and did an admirable job of keeping the meeting flowing, even though the rubbish trucks and music from the radio made it a little difficult to hear all those speaking.

Guests

We gave a big BHR welcome to Bev Barker, wanting to meet new people and Evita Wilson, who has put in her nomination to be a member of the RC Burleigh Heads. Bren also brought along his 2 16yo twin grand-daughters Olivia and Emily from Adelaide who were absolutely thrilled in going to an early breakfast instead of sleeping in. I think the view made up for the early rise.

President

President Jo is currently on teaching Practical as part of her University studies and passed on her hellos.

Items on the Day

Treasurer Jacq mentioned about assisting Riding for the Disabled and the purchase of 3 new Helmets for the participants, for safety reasons, they need to be updated every 5 years.

Evita spoke of assisting a new Women's Shelter and Refuge in Tallebudgera Valley. They have plenty of toiletries, now in need of clothing, bedding, Manchester etc for the rooms. Looking at renovating the property to accommodate more women and families so if you can donate or offer time/services/goods please email Anthony Z and he will pass along details.

Richard S mentioned that he catches up with Mick j, his treatment is at the end and now waiting for results. We pass along our best wishes and hope for a speedy recovery.

Jacq updated us on Doug's circumstances, he is doing better but needs some face-to-face contact in the Residential facility he is located in. Doug can be called on 5511 2360, if you ring him, allow time for him to answer the phone.

If you visit, insist on a chair as he will tire easily and need to sit down. There is a coffee shop nearby that can be accessed as well instead of sitting in the facility.

Ken Clark was our impromptu Guest Speaker and his talk was related to ANZAC Day this coming Monday. Ken spoke of his military service as a young man (18-20) in Malaysia and also of his commitment to Surf Life Saving for 15 years. That is worthy of praise and an award for sure. He also spoke of a young man wounded in Gallipoli, shot 5 times, survived, went into Merchant Navy and was attacked by the German Navy twice who sunk the boat he was working on! He survived and married the love of his life, who then raised a family. The young man was Ken's grandfather and the story was fascinating.

RC of Burleigh Heads will lay a wreath at the ANZAC daytime ceremony but a few members will attend the Dawn Service at the Burleigh Heads Memorial Park, meeting at 4am for 4.18am Service. All are welcome to attend.

Happy fines conducted by Ken and included happiness due to: a great turn out of members; book being published; happy to be alive!; catch up with friends, family and grateful for the ANZAC sacrifice.

Changeover dinner

Get this one in your diary. Changeover Dinner will be at the Surf Club on Friday 1 July 2016 - the day of the international changeover.

Music in the Park

Sunday 8 May, Justins Park, Burleigh Heads. Volunteers needed. While we did not make much profit from the first MitP, we will investigate different revenue raisers and use existing stock for sales, so should make a much healthier profit. Contact Jo or Jacqueline if you are available.

Trevor M is leading the charge so a few member did mention they may be able to assist, any help is greatly appreciated. We are trying to get the Rotaract Club to help out as well

Pacific Fair

Here's the roster for Pacific Fair on 30 April:

9am Rhonda (setup)
9-11 Colleen
11-1 Allan

12-2 Trevor
1-3 Andy
3-5 Lynda & Anthony (packup)

District Conference 2016

6-9 May: Murwillumbah Civic Centre

Time to register for Rotary District Conference. Registrations close for some events on 15 April 2016. After that date the caterers will not accept any further bookings for morning tea or lunch or the Friday night Pool Party. There will be further closing dates to apply

to the various hospitality programs.

Bookings for the Mother's Day cruise and Friday Bus Tour will be available up until the conference weekend. Bookings for other events such as the Friday night function and the Saturday night function will also have their own closing date. All Rotarians will be notified of these in due course.

The Saturday night dinner is themed. The theme of our Conference of course is "First Light". In keeping with our geographical link to the Tweed Valley (and the Nimbin area) Saturday night's theme will be "Aquarius Festival" so dust off your glad rags, your flowers and your peace symbols. If you are going to San Francisco be sure to wear some flowers in your hair.

The good news is that there is no fee to attend the conference, but you can choose to pay for your meals, attend excursions and the Saturday night *Age of Aquarius* dinner and the Friday night pool party.

This year you don't have to pay to attend, just for excursions and any food you want to pre-order. Here's the link to find out more and register. <http://e.mybookingmanager.com/D9640Conference2016>

Accommodation

Destination Tweed (the Tourist Information organisation covering the Tweed Valley) says there is still accommodation available but it was being filled fast. All enquiries should be directed to Tracy at www.destinationtweed.com.au and phone 1800 118295. Apparently the accommodation houses are holding blocks of accommodation for Rotary but bookings need to be made through Destination Tweed.

APPENDIX 5

SAMPLE CLUB COMMITTEE STRUCTURE

Rotary recommends five club committees. Clubs can add or eliminate committees or subcommittees according to their interests and activities. Assistant governors or district governors can help club leaders determine suitable subcommittees.
