President Update:

- Music In the Park on this Sunday - handed out the roster for members. Brad K had arranged pick up from Coastal Fresh of onions.
- Jo reminded us about the changeover dinner and for any members with raffle items to let Evita know.
- Feast By the Sea event coming up Sunday 24 July - we need to get some raffle items of substantial value for this to raise money for The Sanctuary Women's and Children's Refuge. Jo also stressed the importance of members spreading the word about the event and encouraging friends, work colleagues to book ticket. Need to get the 200 bums on seats so that Progressive Catering covers costs of the event. \$5 from every ticket sold is going to the Sanctuary.
- Mick James funeral service was a great send off for him. Thank you to all those members who attended the service. Jo K announced that weeks prior she had decided to award Mick Paul Harris Fellow for his dedicated service to our club and the community. Margie his partner would be attending our changeover dinner to accept the award on his behalf.
- 9 members attended the 40 Birthday celebrations for our daughter club Rotary Club of Palm Beach. It was a great night.

Reducing the Costs of Membership

- David gave us a rundown on the costs of membership and what aspects makes up the fees.
- Sometimes cost can be barrier to membership for the young and old so it is important for clubs to factor this in.
- Possibility of clubs subsidizing membership through some of the fundraising initiatives within the club

What are the costs?

2. Annual Dues which is made up of Rotary International, District Dues, club

administrations and subscription to RDU

3. Optional costs: donations, social events, drinks at meeting

How do we reduce these costs?

1. Reduce the costs of meals
2. Reduce the number of meal inclusive meetings and make it just drinks
3. You can look at the possibility of extracting project administration costs and charge as project overheads (annual dues)

In summary we need to look at the wheel of worth
