PEOPLE OF ACTION

Rotary Club of Surfers Sunrise is a proud part of the Gold Coast community and of Rotary International, a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. Our members are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our Club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, we learn about the issues facing local and international communities, partnering with experts to work out ways to respond. Along with opportunities to help others, our members enjoy networking and fellowship, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Globally, Rotarians focus on work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We've been a Club for more than 30 years so our achievements are too long to list. Here are some of the things our Club is proud to have done or be working on right now:-

- Manufacturing WHEELCHAIRS for DISADVANTAGED CHILDREN overseas
- ENDING POLIO — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all
- DEVELOPING YOUNG LEADERS through youth programs
- Supporting VICTIMS of DOMESTIC VIOLENCE
- Designing and building SCHOOLS and MEDICAL FACILITIES in developing countries
- Supporting MENTAL HEALTH RESEARCH
- WORLD PEACE initiatives

GET INVOLVED

We're always looking for new members to join our Club and we'd love to tell you why we are passionate about what we do.

However, many of our service projects require manpower and this includes non-Rotarians. Join as a member of course, but we also offer volunteering opportunities to non members at our Project Shed in Arundel. Every Saturday morning, a group of volunteers work together on projects achieving great outcomes and we always welcome more. It's a great opportunity to make a difference and join a great bunch of people, lots of laughter and banter. No commitment required!

"I have been super fortunate in my personal and professional life. I joined Rotary because it gave me chance to connect with others and give back to others in the community".

Simon Brook, Past President, 36

"I joined the Rotary Club of Surfers Sunrise on the recommendation of a business coach when I first moved to the Gold Coast so I that could build my network. I have got out of it so much more. Great friends, business connections and best of all, the chance to do good things for others".

Joanne Winwood, 55.
