

A paramedic in a helicopter, wearing a helmet and oxygen mask, is seen from the side. The helicopter is in flight, and the background shows a landscape at sunrise with a warm orange and pink sky. The paramedic's hand is visible, holding onto a part of the helicopter's interior.

LifeFlight

Critical Care, No Matter Where

ROTARY CLUB OF SURFERS SUNRISE

Hello, I'm Anna

Community Engagement Lead

– Gold Coast & Brisbane

- Joined LifeFlight in May 2025
- My role is all about connecting the community - businesses, volunteers, schools, and clubs with LifeFlight's mission.
- Driven by a belief in the power of collective action to make a difference
- Hold a bachelor of Communication (Theatre/ Media)
- Experience in the not-for-profit sector
- Focus on charities promoting health, education, and awareness

Who We Are

- Created by a community of passionate locals - Established in 1979
- The largest, most advanced aeromedical service in the southern hemisphere - rapid response medical care
- Perform a unique and vital function in the healthcare system, connecting patients to the best medical specialists, no matter where they are.
- NO COST TO THE PATIENT

**FIRST
MINUTES
MATTER**

A yellow ECG line graphic that starts as a horizontal line under the word 'MATTER' and then rises into a small peak before returning to the baseline.

How the community can help

Fundraise for us

Raise funds your way!
Whether it's a BBQ, a fun run or a local activity of your choosing

Make a donation

Make a one-off gift or sign up to our Support Crew and make a regular monthly gift.

Workplace giving

Deduct a regular gift from your pay pre-tax. Ask us how.

Leave a gift in your Will

Give the gift of hope and help maintain our services in the community into the future.

Buy LifeFlight Lottery tickets

Go in the draw to win and support our lifesaving work!

Support our base build

Sponsor a room or buy a tile to be displayed in our Wall of Local Legends.

Stay in touch
