The Official Bulletin of the Rotary Club of Mission Viejo, CA., U.S.A.

Rotary Club of Mission Viejo impacts the Coronavirus!

Several members of the Rotary Club of Mission Viejo, along with Rotarians from all around Rotary District 5320, spent the weekend assembling face shields for local hospitals, include Mission Viejo Hospital.

The face shields were purchase with donations make by local Rotarians. By purchasing unassembled face shields and delivering them, Rotarians were able to purchase many more face shields than would be possible other wise. Of course, all face shields were sterilized before delivery.

Special thank you to Greg Rath, Chris Skorina, Steve Getman and Gary Brenner for working the assembly lines, (there may be more, but at this printing I did not have the names), and to all Rotarians for their personal donations to this project!

Quote of the Week!

*When this is over,
may we never again
take for granted
a handshake with a stranger,
full shelves at the store,
conversations with neighbors,
a crowded theater,
Friday night out,
the taste of communion,
a routine checkup,
the school rush each morning,
coffee with a friend,
the stadium roaring,
each deep breath,
a boring Tuesday, and
life itself.*

*When this ends,
may we find
that we have become
more like the people
we wanted to be,
we were called to be,
we hoped to be,
and may we stay
that way – better
for each other
because of the worst.*
