Backpacks and school supplies!

Article written by Rotarian Dennis O'Connor

The morning of August 29, 2020, Geneva Presbyterian Church and the Rotary Club of Mission Viejo joined together and prepared 130 school backpacks with school supplies!

The backpacks, were stuffed with school supplies to be given to students in two area schools. The Principals at San Joaquin and Linda Vista Elementary Schools, located in the Saddleback Valley Unified School District, were given the backpacks. Each school received 65 backpacks to distribute to needy students.

The partnership between Geneva Presbyterian Church and the Rotary Club of Mission Viejo is amazing. Three years strong and growing.

The Rotary Foundation (TRF) of Rotary International

Part Two (Cont. from previous bulletin)

What does The Rotary Foundation Do?

The Rotary Foundation transforms our gifts into service projects that change lives both close to home and around the world.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

With our help, we can make lives better in our community and around the world.

The Mission

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

What impact can one donation have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an anti-bullying campaign and create a safe environment for children.

Stay tuned for more in future bulletins....

Quote of the Week!

“Most people say that it is the intellect which makes a great scientist. They are wrong: it is character.”

- Albert Einstein, Swiss-American mathematician, physicist and public philosopher (1879-1955)

Park-it Market
