Providence Speech and Hearing Center

Barbara Casserly, Director of Development, Providence Speech and Hearing Center, was guest speaker on December 11, 2019, during the regular meeting of the Rotary Club of Mission Viejo.

Ms. Casserly informed the audience that the Providence Speech and Hearing Center offers one-of-a-kind experience where patients receive care from a team of specialists.

Over the years, they have grown immensely. Their unique environment and offerings are accessible in eight convenient locations throughout Orange and Los Angeles Counties. In 2011, Providence acquired the Newport Language and Speech Centers (Mission Viejo, Cerritos, Fountain Valley, and Fullerton) to expand their reach. Since then, they have continued to grow adding locations in Newport Beach at the Hoag Health Center and Huntington Beach at the Hoag Health Center. In 2018, they acquired The Children's Learning Center in Garden Grove.

Ms. Casserly said each Center supports an imaginative environment with exercises, treatment, and hands-on activities that allow patients to grow and advance their skills. Staff, audiologists, speech and occupational therapists, and volunteers each play an intricate part in the success and health of patients. A spirited team effort upholds their mission.

They offer a variety of speech and hearing services for children and adults alike. Accepting most major insurance companies and medical groups, we also provide grants, scholarships, and financing options for patients from low-income families.

Park-it Market

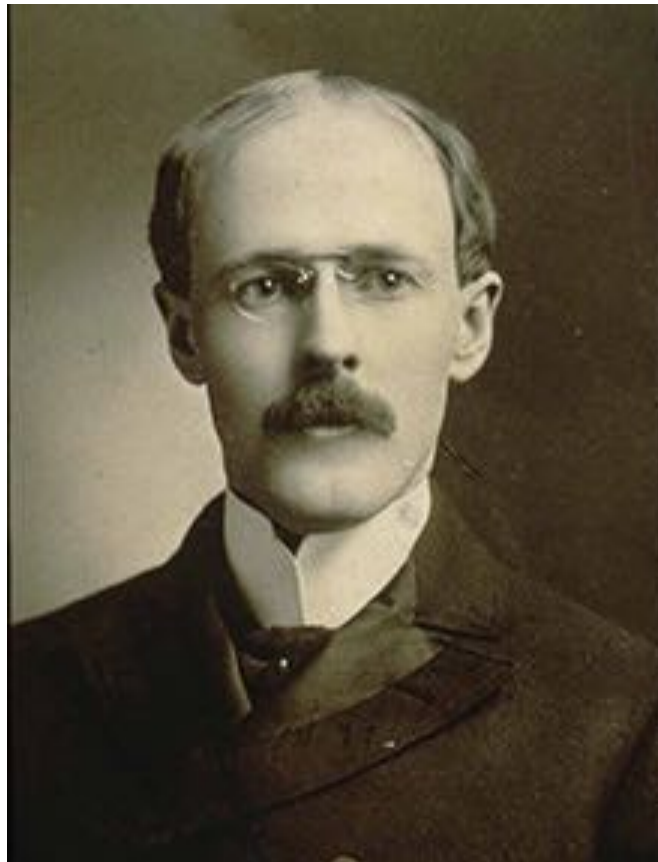

There was no Park-it Market this month. Please join Project Coordinator PP Paul Bucknum on the second Friday in January, January 10, 2020, at 8:00 A.M. to 9:15 A.M., at the Norman P. Murray Center and join in on this very rewarding hands-on project!

Quote of the Week!

When an individual, a sect, a clique or a nation hates and despises another individual, sect, clique or nation, he or they simply do not know the objects of their hatred. Ignorance is at the bottom of it.
