Engineering a New Life  
FROM COMPLACENCY TO CLARITY

Steve Gurklys

## Engineering a new life

Speaker:

Steve Gurklys

The program on February 27, 2019, was titled, Engineering a New Life.”

Author and speaker Steve Gurklys shared his philosophy for “designing” a new life. He suggested setting goals, identifying obstacles, and he discussed “tools” that may be used.

He left the audience with two questions: 1) What do you want? and 2) What do you fear?

His book sounds like very interesting reading and it can be found on [amazon.com](http://amazon.com).

## *Quote of the Week!*

*When an individual, a sect, a clique or a nation hates and despises another individual, sect, clique or nation, he or they simply do not know the objects of their hatred. Ignorance is at the bottom of it.*
