## Rotary Craft Talk

### Steve Getman

During the Wednesday, May 6, 2020, online meeting of the Rotary Club of Mission Viejo, the presenter was the club’s newer member Steve Getman.

Steve presented his Rotary Craft Talk to a near full house on line. He shared facts of his childhood in New York, his adventures in jobs and business, and his moves around the United States for employment opportunities.

Steve now lives in Southern California with his beautiful wife, Tracey, (not pictured).

Steve has had very interesting “travels” in his life and career and his Craft Talk was remarkable!

All club members look forward to the ongoing growth of this Rotary friendship!

## ***Orange County Community Foundations (OCCF)***

The speaker for May 13, 2020, was Cathleen Otero from Orange County Community Foundations. Ms. Otero and Ms. Carol Ferguson presented detailed information regarding the program.

OCCF states, “We see societal challenges as opportunities to effect meaningful change. We strive to tear down barriers and create a more just, equitable environment. We believe that innovation, collaboration and knowledge-sharing are critical to achieving sustainable impact. We take risks to effect fundamental transformation. By partnering with and supporting leaders in the social sector, Charitable Ventures helps transform our communities through positive social impact.”

The one hundred year old program provides food, shelter, personal protective equipment, student support, childcare for workers, and much more.
