Prescription Drug Abuse

Report and photo by PP Jim Hansen

Guest speaker during the November 8, 2017, regular meeting of the Rotary Club of Mission Viejo was Christina Canal of “The Rx Project.” Ms. Canal presented a great deal of information regarding abuse of prescription drugs; e.g., street names, state and national statistics, access, etc.

Ms. Canal also shared qualities of The Rx Project - a program to help prevent Rx drug abuse and to build relationships that make a difference.

The presentation was well done and it generated many questions from the audience.
