RISE AGAINST HUNGER

On Saturday, November 10, 2018, members, families, friends and guests of the Rotary Club of Mission Viejo helped Rise Against Hunger package 12,312 meals for children and families around the world.

From sustainable community development projects to nourishing lives through nutritious meals, Rise Against Hunger strives to build

resilience and self-sufficiency in the communities where we work.

Inspired to take the next step in the fight against hunger? Visit the Rise Against Hunger website at www.riseagainsthunger.org to donate, register for another event, or sign up to become an advocate.

By the way, once the meals we packaged are shipped, President Chris will receive an email with more information about where the meals were sent and what programs they will support. He will be sharing with us soon.

A special thank you to MV Rotary Club President Chris Skorina for coordinating the club's participation in this very worthwhile project for our community!

Bumpeh Alliance Development Project

Mr. Dawson Jope was guest speaker at the Rotary Club of Mission Viejo on November 14, 2018. He shared information of a mission project in Sierra Leone that helped establish and helps maintain the Bumpeh Academy, a school in the tribal Bumpeh Chiefdom.

Volunteers and staff of the school develop and teach lessons in the areas of mathematics, science, technology, and more. The project develops and trains local leadership and support staff so the community and school are not reliant on outside help to maintain effectiveness.
