Great Shape! Inc.'s **1000 Smiles** dental project serves thousands of Jamaicans in temporary clinics and schools. In rural Jamaica there is just **one dentist for every 100,000 people**. Tooth decay leads to infections, disease, unemployment, and even death. Great Shape! Executive Director, Joseph Wright says, *"Our volunteers are helping to produce an entire generation of kids with healthy gums and teeth."* That means wellness, employment, and beautiful smiles!

Great Shape! launched 1000 Smiles in 2003 and has helped over 100,000 Jamaicans so far. Your \$50 Sponsorship (or more) will directly empower five Jamaicans. Your sponsorship provides: Dental care and products, teeth cleanings, extractions, sealants and toothbrushes. Approximately 350 volunteers travel to Jamaica from across the U.S., Canada and beyond, to serve in temporary dental clinics and schools. Dental professionals handle all the dental care, while non-dental pro's help manage the rest. We're so blessed to team up with the Jamaican Ministry of Health and the Sandals Foundation. Now you can join the team!
