

Flags for Heroes

2024 Sponsor Registration

Heroes come in many forms – they don't have to wear a cape. Some wear a uniform, or just a smile as they make a difference in your life, our community, or the world. Along with the brave men and women who have served our country and community, a Hero is anyone you admire for their courage, outstanding achievements, noble qualities, or who gives back to the community.

The **Flags for Heroes** project is a recurring public display of full-size U.S. flags created by Ipswich-Rowley Rotary to honor a hero of your choice. The hero may be a veteran, teacher, medical professional, mentor, or any person you would like to honor for their contribution to your life, the community, or the world. Your sponsorship, with your hero's name and title, will appear on a printed tag attached to a flagpole for the duration of the installation.
