

MANCHESTER-ESSEX ROTARY CLUB

ANNUAL SCHOLARSHIP AWARDS

The Manchester-Essex Rotary Club will be awarding scholarships to deserving Manchester-Essex residents. Applications must be postmarked no later than March 31, 2020 to be considered.

The scholarships are given to assist local students in meeting the expenses associated with furthering their education. Scholarships are available to graduating high school seniors and preparatory school students who will be enrolling as full-time students in a degree granting program in the Fall of 2020. The following criteria will be applied in selecting scholarship awardees:

1. Students who attend Manchester-Essex Regional High School OR students who attend a High School other than MERHS with parent(s) or legal guardian(s) residing in Manchester or Essex, Massachusetts.
2. The Manchester Essex Rotary Club is a community service organization. **Accordingly, we place a great deal of value on students who are active throughout their high school careers in community service activities. Applicants are encouraged to include as much information about community service performed on their applications as possible!**
3. Academic achievement will be an important consideration in the evaluation of candidates. A copy of your High School Transcript is required.
4. The financial needs of each student will be reviewed and will be an important consideration in the choice of scholarship recipients. Therefore, **all applicants are required to submit a copy of the Student Aid Report (SAR) portion of the Free Application for Federal Student Aid (FAFSA)**. The information to be considered will include gross family income, debt, equity, etc. Extenuating financial considerations or hardships should be explained. **Applications submitted without this information will not be considered.**
5. The experience of the student in extra-curricular activities and in providing community service will also be an important consideration.

Members of the Scholarship Committee of the Manchester-Essex Rotary Club will interview finalists for an award. The interview is an essential part of the decision-making process. The Manchester-Essex Rotary Club will interview selected finalists in late April and will make the final determination of scholarship awards after the interview, review of the candidates' past academic activities, extra-curricular activities, demonstrated financial need, and letters of recommendation.

Completed applications must include a copy of high school transcript, SAR/FAFSA info, and two (2) letters of recommendation postmarked by the March 31 deadline to:
Manchester-Essex Rotary Club, P.O. Box 403, Manchester, MA 01944.

Failure to include all required documents will disqualify applicants from consideration.
