

**The Winchester Rotary Charitable Fund, Inc.
Vocational/Technical Scholarship Application 2021**

The Rotary Club of Winchester is offering scholarship(s) to graduating seniors that attend a Technical High School. The scholarship(s) will be awarded to seniors that plan to pursue a trade after graduation. The funds can be used for further studies at a Technical Institute or to obtain a certificate or license as well as to purchase tools for their trade (electrician, plumber, automotive mechanic, carpenter, beautician etc.).

This scholarship is for students that plan to pursue a trade or additional technical training after graduation.
