Solana Beach ECO Rotary Club Foundation Elects New Board Member

SAN DIEGO, CA— June 15, 2019—The Solana Beach ECO Rotary Club Foundation today elected Amélie Catheline to the Foundation Board of Directors. “We are so fortunate to have Amélie join our Board of Directors,” said Carl J. Kosnar, Foundation President. Mr. Kosnar further commented, “Amélie comes to us with a passion for a more sustainable and greener world. Amélie also currently serves as President of the Solana Beach ECO Rotary Club and is a staunch supporter of the Club’s mission statement: *“Our mission is to educate ourselves and our communities about environmental challenges and engage in implementing their solutions.”*”

About Us

The Solana Beach ECO Rotary Club is always searching for people interested in improving the global environment.

Are you interested in the ECO-Green movement and also want to make your community a better place to live? Well, if you are, the Solana Beach ECO Rotary Club would like to invite you to attend one of our weekly meetings. We are an energetic group with a mission that just might interest you. Our club was formed to confront environmental issues, create solutions, and much more.

As members of one of 34,000 worldwide Rotary Clubs and one of only four special ECO Rotary Clubs in existence, we fulfill the Rotary vision of “Service Above Self” through participating in projects which promote a sustainable lifestyle.

If you would like to learn more, please join us at one of our weekly Tuesday evening club meetings. We know you will enjoy our guest speakers who all have expertise in some segment of the ECO-Green movement.
