MEETING HIGHLIGHTS—April 7, 2023

President Mark Scott called the meeting to order. Chuck Bevan provided the Thought of the Day and the invocation.

President Mark recognized all of the April birthdays and there was a rousing rendition of “Happy Birthday” assisted by pianist Joe and the many guests in attendance for the District Speech Contest. Birthday honoree Duane Buckingham was on hand to enjoy it.

We said a hearty hello to Bill Padleford and his technical assistant, daughter Lori, who helped him connect via zoom.

President-elect Mora de Murguia asked members to reply to her recent President’s Letter. Please indicate your areas of interest and service, as well as your financial commitment for the upcoming Rotary year.

The Eastlake-Chula Vista Rotary Club is having a Noche en Buenos Aires event. Please see flyers for information and to get your tickets.

Regular guest Diana Marjip-Chuh with Club 33 (and Bonita resident) shared about the Bonita Museum event on

The five students from throughout the county did a fantastic job with their presentations. There was a very large turnout from other Rotary Clubs, students and their family members. The students were from Coronado, Valley Center, Carlsbad and Hoover (2).

THOUGHT & INVOCATION Given by Chuck Bevan

I don't make jokes. I just watch the government and report the facts.

Will Rogers

Gracious God, as we gather together as Rotarians and friends, We acknowledge that wherever we go, We are always in Your presence. We pray that our actions may reflect this awareness as we seek Your nearness and as we count our many blessings In the weeks and in the months ahead:

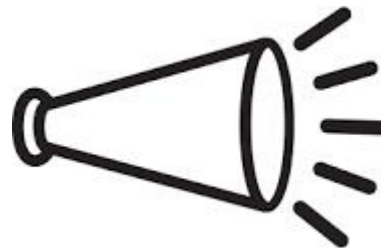

Clothe our lives with charity.
Deepen our lives with loyalty.
Hallow our lives with integrity.
Help us to live our lives so that we may enhance the future of those whose lives we touch.

May Your radiant spirit Guide us, and our loved ones, all of our days, Amen.

MEMBER NEWS!

Here is **Lisa Johnson** being interviewed by Jeff Zevley from CBS 8 this week. Did anyone else see her?

Liberty Station is celebrating its Centennial this year. Lisa and her team have a wide variety of activities planned to honor this milestone.

They did an excellent job highlighting its rich history and numerous present day contributions to San Diegans who know to visit for fun, food, and culture.

FRIENDLY REMINDERS

President-elect Mora de Murguia sent her letter via email to all members on April 2—please be sure to respond by April 14. It is vital to planning for our upcoming Rotary year.

**District Governor Chuck Pretto has asked us to consider a donation to the Rotary Foundation Annual Fund. These go to ensure our District Designated Fund grants. As he said:
Your gift brings peace, health, literacy and opportunities to people in need.**

MEETING HIGHLIGHTS—APRIL 7, 2023

President Mark received a big gift for the wind down of his Presidential year—a giant gavel—handcrafted years ago by Tab Talbert. There was a large turnout for the District Speech Contest—and a very tasty pasta/shrimp dish for lunch.

Drawing winners this week for the cash prizes were Carmen Sandoval, a lucky guest and a very exuberant Zaneta Encarnacion.

MEET THE VELEZ FLORES FAMILY

We will be building a much-needed, new, safe home for Licet (29), Paulino (33) and 5 year old Oziel. They are the Velez Flores family that Project Mercy has selected for our Club's home build on April 15.

They are both from Acapulco and migrated to Tijuana during the pandemic in search of work. Oziel is in kindergarten and has many dreams of what he wants to be. His current choices are fireman, police officer or construction worker.

Paulino works as a mason and earns 2500 pesos per week (@\$128) when he can find work. Licet works in a pizza parlor and earns 1900 pesos per week (@\$97).

In Licet's own words: The biggest difficulty we face is with our finances. It is very difficult and painful for my husband to deal with the situation we are going through because of the lack of money. He is concerned that we are not able to fix out house and have a decent life. Sometime we don't have enough to buy food or anything nutritious for our family. We lack basic utilities such as a sewer system.

Our son Oziel has a congenital strabismus (misalignment of the eyes) Doctors have done studies for an operation but in Tijuana there are no specialist, and he would have to go to Guadalajara. We are unable to afford that bill on top of all our other expenses.

It would be a great help to us to have a decent house because it would provide better security for us and keep the insects and vermin out. The condition of the house in which we live is bad because it is made from hard-foam and tarps. We would be very grateful to the sponsors if they could help us with this great opportunity.
