## **April 5, 2019** *Rotary Four Way Speech Contest*

The Four Way Test

Of the things we think, say or do,

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

For over seventy years Rotarians have been using the 4-Way Test as a practical yardstick in their business, community, and personal affairs. It does not provide answers, it asks questions which the user must answer for him/herself. The Test has been carved into granite monuments, displayed on billboards, written into labor contracts, printed on wrapping paper and umbrellas, and has been the theme for countless essay and speech contests. It reminds us that we daily practice high ethical standards in our everyday lives. It was created by Rotarian Herbert J. Taylor (who later served as RI president).

The club members spilt into four groups to consider input to specific areas of interest with the following results:

**CLUB BOARD MEETING**  
*2nd Thursday of each month.*  
6:00 p.m.  
Administrative Office of Sharp  
Medical Center  
751 Medical Ct  
Chula Vista  
619-502-5839

Member Recruitment (Diane Wages leading):

Need more diversity in gender, age and color. Change venue? Reduce new member cost? Team with Chamber of Commerce to put on mixers. Challenge each member to recruit a new member.

Leadership Development (Bob Silvas leading):

Provide more members opportunities to address the club at club meetings. Provide incentives for members to learn more about Rotary District and RI programs/events. Do a better job of club committee reporting to membership. Having one member introduce another member. Do a better job of transition planning and execution.

Community Awareness (Carmen Sandoval leading):

Increase social media traffic (Instagram and Twitter). Partner with SWC. Improve visibility in print media.

Project Funding (Dan Dredla leading):

Increase grant funding. Push to raise average member pledging to the club foundation. Reduce membership cost.

### ROTARIANS AT WORK DAY 2019

We will be working in the Pollinator Garden and doing trail improvements.

The goal is to involve all the club members. If you can't physically attend, please consider providing needed supplies like garden gloves, potting soil.

We already have 17 volunteers and four monetary contributions. We are well on our way to 100% club participation!

This is the type of potting soil Paul (at LCDC) likes to use.
