In Defense of Community College

With college admissions scandals in the headlines – wealthy people bribing test proctors and admissions officers to get their kids into elite universities – the question remains: does it really matter which college or university you go to, especially for your first two years?

As a product of the community college system, (as well as the CSU and UC systems), and as a department chair and a professor at Southwestern College for 28 years, **Peter Bolland** has a front row seat on the topic. Let's dialogue about the real value of higher education, the unearned stigma surrounding community colleges, and ways in which to accurately assess the role of community college education in improving life for all Californians.

Peter Bolland is the philosophy and humanities department chair and a professor of philosophy and humanities at Southwestern College. Bolland is also an award-winning singer-songwriter and poet. Learn more at peterbolland.com

SERVICE ABOVE SELF

CVPD Ret. Capt. Fritz Reber (below left) shared information and video footage about the evolving Drone Program in the City of Chula Vista. It was a very interesting presentation about our city's leading national role in this innovative technology, which could positively impact police practices and enhance public safety.

Bud and Sandra Wilson invited Capt. Reber's parents—William and Linda—to enjoy the presentation. It was also Linda's birthday and she was properly serenaded by the Rotarians in the house.

President Bob has attached a "Tile" to the historic Chula Vista Rotary President's gavel. The technology item will track the item it is attached to—usually car keys or mobile phones. Bob is determined to keep his gavel this year but the Tile may NOT be enough.

The Jim Biddle News at Noon sponsor for today is birdwatcher supreme, friend to all, and all around great Rotarian—Lane Pearson. Lane serves as our club’s committee chair for the Rotary Foundation.

The Rotary Foundation is the engine that turns our local donations, support and work into a better life for needy deserving people all over the world. He is going to share more inspiring information about the Foundation coming up soon—and all year.

This week’s winners: Cheryl Shields, Dan Mason and Sandra Wilson. Congrats!

Dan Mason enjoying Lane's fishing picture.

President Bob awarding **Sonny Rai** his new Blue Badge—congratulations!

Glen Googins rolling out the concept for our major non-event fundraiser. Cannot wait to go! Oh wait... May need to hear it again...
