IN MEMORIUM

It is with great sadness that we announced the passing of Mark Greene, 85, who passed away Sunday, August 24. Mark, a Past President, had been a member of the club since 1964 and had an amazing nearly 52 years of perfect attendance.

As the owner of a used car dealership, you could always get a great deal from Mark. He was known for his quick wit and tremendous sense of humor, a distinction marked by the fact that he was the only Club President on record to receive his gavel in a full-sized V8 engine.

A reception for the Greene family will be held this coming Sunday, September 1st from 1:00 to 4:00 at the Chula Vista Golf Club—where our club meets. Graveside services have been held.

Farewell Mark. You did, indeed, make the world a better place through your Rotary service.

ROTARY NEWS AT NOON

We missed one of our Jim Biddle News at Noon Sponsors while your editor was on vacation—**Ramon Moncada**.

Ramon is an expert on infectious diseases. He shared that one of the reasons he joined Rotary was because as a doctor he had personally witnessed the ravages and devastating results of patients who had contracted the disease. Ramon knew that eradicating polio was Rotary's world wide goal.

We all know when it is flu season—that's when it is fist bump time. Dr. Ramon does his part to keep us all germ free, with his signature no-hands shake during flu season.

Thank you Ramon!

Presenter Ken Lee, Malahat Spirits, provided interesting information about the business he and his two partners founded. He also shared samples of the various spirits that they produce. Our members were very happy to try them!

Foundation Friday

Lane Pearson provided an update on Rotary International Foundation. You can ask Lane to see how close you are to your next Paul Harris award. Our club will match your \$.
