Marta Knight became an American citizen on February 18, 2014. Many of us found that hard to believe because we have known her as a very involved Rotarian for more years than that. Until then she was a resident alien from Mexico, where she was born. She was asked during her citizenship interviews why she waited so long to become a citizen. She answer was a promise to her father on his demise that she would take care of her mother and not become a citizen until after her mother's passing. Marta honored that promise.

She attended schools n San Diego and served in the financial industry in our area.

Her father received his medical degree in Mexico. He spent the war years volunteering at Balboa Hospital, where he worked for no pay. Marta's sister worked at the American Embassy in Tijuana and helped Marta get a resident alien card that she used until her citizenship.

She is our District Governor-elect.

News at Noon

Sponsored by: Mark Scott

Mark Scott manages the Encore Division of Coldwell Banker West Realty. They specialize in property management and residential sales, from their base next door to Murrieta's margaritas. At present they are managing more than 200 units. With Chula Vista's rising home prices in recent years now may be the time to consider selling or buying to catch the next wave. Mark and his family are very active in our community. Mark is the past-President of the Bonita Sunnyside Fire Protection District. He is also chair of the Heartland Communication Facility and has just completed two years serving on the Chula Vista Rotary Board of Directors. He's giving some serious thought to joining the officer line of Chula Vista Rotary.

Winners

Miscellany

David Hoffman recognized for taking his family to Stonewall Mountain and posting it on his Facebook page. President Dan surfs the web for all he can find.

Cheryl Shields recognized for having triplets that are now sophomores in high school and “out of her hair” until 1:30 each day.

Ken Weimer has been given authority by President Dan to “fine” any member he catches without their Rotary Pin and badge at our meetings. The fine upper limit is \$5 per month. A very inventive way to raise funds for a presidential slush-fund?

The Fishing Trip

Those who went were: Gary Bryant, Troy Ray, Tom Davies, David Hoffman, Mauricio Luterototh, Mike Monaco, Andre Ashley (Mike's father-in-law); Mike Green; Jessie Martinez (Mike Green's friend); Ben Vallejos; Steve Brodbeck and Mike Small (Gary's friend).

We left the dock at 5:30 am and got back at around 6:45 pm. Boat was the Vendetta, the same one we went on two years ago. Fished in Mexican waters off the Coronado Islands.

Fish caught were:
38 Calico Bass, 1 Blue Fin Tuna, 3 Yellow Tail Tuna, 1 Bonita and several Barracuda. Everyone took home fish.

It was a great trip. Weather was great and the ocean was smooth and flat.

Gary
