Chartered February 16, 1926 - Club Number 908 - District 5340

February 26, 2021
Eastlake Behavioral Health Hospital
Jerry Gold, PhD (Scripps) & Saad Niazi
CEO, Pacific Grove Hospital

Behavioral health is one of the most significantly underfunded and under-addressed issues we have nationally, in the state of California, and in our communities. The need for inpatient behavioral health beds in our community is great and has become more critical during the coronavirus pandemic.

With so many in our community facing economic insecurity, social isolation, and constant health and safety concerns, there has been a significant increase in the number of people experiencing depression, anxiety, and other behavioral health issues.

To respond to this need, Scripps Health has entered into a joint venture with Acadia Healthcare to significantly expand quality behavioral health services to patients in our area.

The two health care organizations are proposing to develop and jointly operate a new, state-of-the-art 120-bed behavioral health hospital in Eastlake. This facility will provide safe, quality care and critically-needed inpatient bed capacity and intensive outpatient services for adults, teens, and seniors.

MEETING HIGHLIGHTS— FEBRUARY 19, 2021

President Zaneta called the meeting to order. Chuck Bevan gave the invocation. Special congratulations to Albert Aguilera and his new wife, Daisy, who were recently married. They decided not to wait any longer and had a ceremony at the courthouse, followed by a short trip to Cabo. They plan to have a couple of events for their families in the near future. All the best Albert & Daisy!

Breakout groups were directed to share silly cow jokes or any others jokes that tickled your funny bones. Some groups did not have jokes to share...

Laura Muñoz Humphreys was the Jim Biddle News at Noon sponsor. Reed and Beta Dinsmore were paying close attention and remembered that George Williams was the founder of the Y. Gary Bryant knew that Don Shula was the “winningest” coach in NFL history. A donation of \$50 per winner will be made to PolioPlus.

Bud Wilson introduced George Gillow who gave an excellent presentation on the history of dairies in San Diego County with a special focus on South County dairies. It was a very enjoyable presentation and many of us learned that the Wilson family had a direct connection to this business. We also learned that many of the dairymen went on to become elected leaders—most notably Congressman Bob Wilson.

It triggered many memories of our own—playing on haystacks at local dairies and remembering our love for Johnny Downs and his dancing on the top of the milk bottle.

If you missed it, be sure to check out the presentation on the link sent by President Z. Thank you George Gillow!

INVOCATION By Chuck Bevan

Thank you God for this day

That you gave me to live in faith

I do not know everything that will come

But you know

I rest in your care and move on

Amen

All those who
logged-on!

With Betty Waznis

Good afternoon Rotarians and guests, and good afternoon to our speaker, George Gillow. Today's edition of the Jim Biddle News at Noon is sponsored by Laura Humphreys and the South Bay Family YMCA.

Nationwide winter storms are forcing temporary shutdowns of some local vaccination clinics. The main manufacturing facilities for the Pfizer and Moderna vaccines are in Massachusetts and Michigan. The disruption in supply and transportation lines have resulted in a backlog of 6 million doses affecting all 50 states. Result is temporary closure of some sites, with others restricting vaccines for second doses only. It's expected to take three days to resolve the backlog.

NASA's rover Perseverance landed safely yesterday on Mars to begin an ambitious mission to search for signs of past Martian life and obtain samples of soil and rock. Perseverance, the first multibillion-dollar NASA mission to Mars in nine years, safely landed in the target area, an ancient lakebed known as Jezero Crater. The rover was guided into the spot by a suite of navigational instruments, including a camera built by Malin Space Science Systems of Sorrento Valley, one of five cameras from the San Diego company on board the craft.

Laura Muñoz Humphreys is currently the Executive Director of the South Bay Family and Eastlake YMCAs. Laura was born in Medellin, Colombia, and moved with her family to Miami when she was 3 years old. She has been involved with the YMCA for over 30 years, beginning as a teen in the YMCA's youth leadership program.

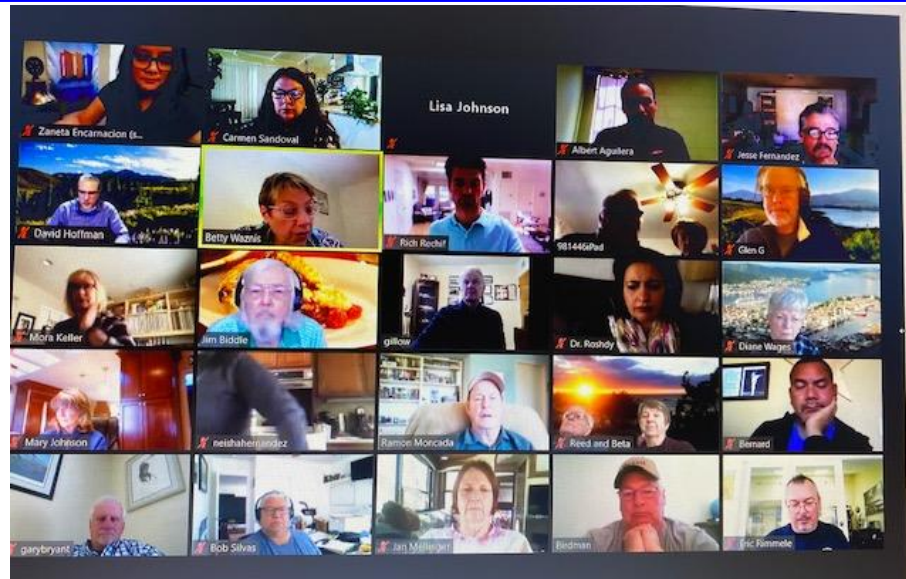

The San Diego Padres and its star shortstop Fernando Tatis Jr. agreed to terms on a 14-year contract, the longest in MLB history. Its \$340 million value is the third richest overall behind recent deals signed by Mike Trout and Mookie Betts.

This concludes today's edition of the Jim Biddle News at Noon. Today's News sponsored by Laura Humphreys and the South Bay Family YMCA.

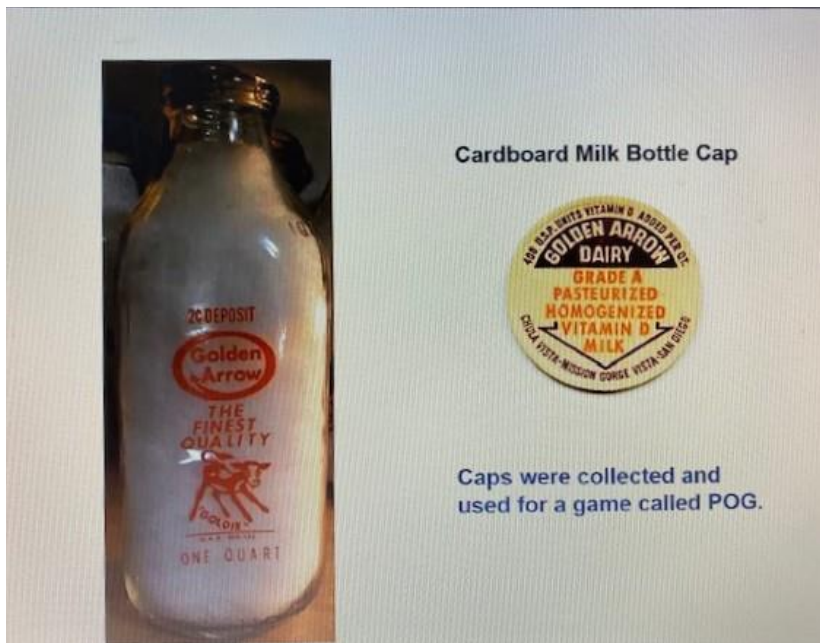

MEETING HIGHLIGHTS—FEBRUARY 19, 2021

Chula Vista and Bonita Dairy Farms

- There were hundreds of dairies in San Diego County.
 - Mission Valley and in the South Bay.
- Many in Chula Vista and Bonita area.
 - 34 Dairies in Sweetwater Valley.
- Most dairies were smaller with 30 to 40 cows.
- Some were large with over 1000 cows.

Cardboard Milk Bottle Cap

Caps were collected and used for a game called POG.

Few Acres Dairy Farm

- Dairy started in about 1920 by Francis M. Brown.
 - He was known as F M Brown.
 - Maternal grandfather of CV Rotary member Bud Wilson.
- Dairy has about 40 cows.
- F M Brown sold the Dairy to Thomas Eaton in 1943.
 - The Dairy was renamed Eaton Dairy and closed in 1975.

MORE FUN FOR THE TIMES

Everyone complaining
they gotta homeschool
their kids.

Meanwhile I skipped
my kids ahead & they
graduate tomorrow.

Problem solved!

At first, I thought I had Covid
because I couldn't breathe.

Then I unbuttoned my
pants and it was all ok.
