Or as Glen Googins calls it, "The Great Rotary Love-in".

Glen will engage us in our love memories again this year. What you don't provide him with for material, he will make it up. And Glen can embarrass you much more that you can embarrass yourself and your significant other.

This will be his 10th annual Love Production and tribute to Rotary Love. Unfortunately, or fortunately, as you see it, Lisa Johnson will guest MC the event, so you will get her take on how this should be done.

Bring your spouse and enjoy!

This is the third year our Community Projects Committee selected the Chula Vista Animal Care Facility (CVACF) as the community project for the month of February. Former Mayor and former honorary member of our club Cheryl Cox brought us the needs of the facility and how we can help. A separate page of this newsletter shows what you can donate.

Mandy Mills, Director, and Linda Septon, Adoption volunteer of the facility presented the program with their special guest a dwarf rabbit (the facility doesn't just deal with dogs and cats). The CVACF serves and is financially supported by the cities of Chula Vista, National City and Lemon Grove. They process 5,000 homeless animals each year. They are part of the San Diego Animal Welfare Coalition which has achieved zero euthanasia of healthy treatable animals in the last three years.

Ways you can help the CVACF: Adopt, Fostering, Volunteering and Donating. They have an annual golf tournament fundraiser and they do Holiday photo shoots for your holiday family cards. They have out of the shelter pet events in the city, do rabies clinics, microchipping and licensin

I don't know if there are any graduates of the Bonita Country Day School in the room or even if there is anyone here who could qualify for entry. Bonita Country Day has as its principal, our "Mom" Catanzaro who shepherds pre-school and elementary classes in the private academic environment with a dozen staff members. Their goal is to teach students how to think, not what to think. Suzanne's school is on Otay Lakes Road, just up the hill from here along the speedway and it is helping our community build better citizens.

Neisha promoting the RYLA event and the great young folks that they have interviewed

I visited Mark and Kathy yesterday after Rotary. They wanted to pass along their thanks to the club for the flowers and well wishes. Kathy was bringing a pizza to mark on Super Bowl Sunday to watch the game when she slipped and fell. I think she landed on the pizza. Maybe Dominos will replace it. I told her to stay away from hospitals; they're dangerous (at least to her).
