June 1, 2018 Music Program—Coral MacFarland Thuet and Our Joe Demers

Coral MacFarland Thuet and our very own Joe DeMers will be bringing their musical talents too our club for a program that will delight your ears and have you tapping your feet! We encourage you to bring guests to this sure-to-be entertaining club meeting.

Jazz and Latin signer Coral MacFarland Thuet is equally comfortable singing in Spanish, English and Portuguese. Her repertoire combines jazz and the music of Latin America. Coral has recorded several CDs with guitarist/composer Steve O'Connor, Peter Sprague's "Pass the Drum" and on Jaime Valle's "Third Voyage."

Coral has recorded two children's albums in Spanish and English and a bilingual Christmas album with pianist Randy Porter. Among recordings with the band Big Mountain, her voice can be heard on the Disney on Ice productions. She was chosen to sing the duet, "Beauty and the Beast" in Spanish with Big Mountain' vocalist Quino for the 2001 worldwide tour. Among the many projects Coral has been involved with, she recorded vocals for Mexican superstar Luis Miguel and recorded music for the 1996 Atlanta Olympics.

News at Noon

Sponsored by: Carmen Sandoval

Carmen Sandoval works for CalTrans doing public affairs work. In the past year in celebration of reaching age 60 she made trips to Vegas, Maui, and Mexico City's smog. Then instead of going to Cooperstown for Trevor's induction into the Baseball Hall of Fame, she and Jesse bought a new home in Bonita. Just last week, she hit her 25 year anniversary with Rotary. She is a highly dedicated Rotarian showing up at many events over the past 25 years with Jessie. She loves her family, the community, and helping a broad range of issues through her Rotary involvement. She plans to get older, wiser, with all of us to help Rotary continue to make a difference.
