You may not be aware of the significant behind-the scenes changes that have occurred this year under the leadership of Dan Dredla and the club's Board of Directors.

Some have been driven by the club assemblies that they organized seeking club members input to a five year plan for the future of the club. While some broad outlines of members' interests have come to the surface, the actual implementation of changes takes some time to organize and put into action. Everything hasn't been done, but everything has started. Dan has been insistent on the inclusion of the officers that will be serving the club in the years to come so that changes will be sustained, once implemented.

Come hear what Dan has to say about our future.

Coming Soon

June 28 Dark

June 30—Installation

For full meeting video, go to:

Tish Berge is General Manager of Sweetwater Authority, a publicly owned water agency serving 200,000 customers with safe and reliable water in Chula Vista, National City, and Bonita.

Tish is very proud of the fact that since 1977, the agency has supplied water with 100% compliance in quality, not a blemish on a record going back 42 years!

Even though this has been a wet year, the Sweetwater dam is only half full. They may need to buy water in 2020.

One-third of all income is used to keep the infrastructure of pipes and plants and connections up to date as much as possible. A current program to flush pipes of accumulated minerals is in a three year program using trucks with special filtering processes stationed between two connections of pipe and capturing the water without loss. They are also using public bonds to selectively replace the worst of the over one hundred miles of aged pipes.

They are developing a Community involvement program that will have a Citizen Advisory Board. More details are forthcoming.

News at Noon

Sponsored by: Carmen Richardson

Carmen Richardson is still fairly new to our Club, however since she and her husband, Rick, moved here 7 years ago they have both plunged into community work with non-profit organizations. Carmen is a current Board member and Past President of the Chula Vista Public Library Foundation. Carmen grew up in Nebraska and now finds herself in Chula Vista. The Library Foundation has several fund raising efforts, but their major event each year is called Bon Appetit with food, beverages, and fun for all who attend. You will hear more about their events soon - or you can just write a check.

Winners

Carmen is celebrating her graduation from USD with a Masters in Non-Profit Leadership.

Zaneta is thrilled that her son has just graduated from Olympian High School and will be joining her at Southwestern College this year.

Donna has two wonderful girls. Hanna just graduated from UCSD and Rachel is expecting in December.

Chuck is planning to visit grandchildren in Colorado with Marilyn and he isn't going to use the train to get there!

President Dan announced that we are close to getting the top club award if we can induct one more new member. He noted the policy adopted this year by the club board that gives special consideration to spouses of existing members to become a Rotarian. The policy is noted below:

Family Membership Policy (adopted 11/27/18)

- a. An existing member's spouse, partner, or adult child under age 26 is eligible to join the club under a "Family Membership." For this policy, the existing member is known as the index member.
- b. The index member must be a full dues-paying member of the club.
- c. The family member will be charged \$90 per quarter, unless changed by action of the board.
- d. Initiation costs and red badge requirements for the family member are waived.
- e. The family member will be charged at the door for any club fees associated with meals, events, etc.
- f. Dues, meals and fees paid on behalf of the index member are not transferable to a family member.
- g. A family member is considered a full member of the club, and may hold office.
- h. A family member is encouraged to attend meetings, but has no minimum attendance requirement.
- i. A family member is challenged to support the club and RI foundations, and activities.
- j. If the index member terminates membership in the club, a remaining family member must pay the full cost of membership at the start of the next quarter or terminate their membership.

BE THE INSPIRATION
