# CVESD Talks

Our Club has long sponsored and supported the Chula Vista Elementary School District Speech Contest and has the honor of hosting the winners to present their winning talks.

This year, we have the winners from grades 4-8 and they are amazing. The District's 2021 CVESDTalks (formerly known as CVESD Speech Contest) theme was "Peace is Possible."

Please join us Friday to see these wonderful and inspiring young members of our community. See you on ZOOM!

## THOUGHTS FOR TODAY

If you see someone masked after the CDC/IDPH removed masking requirements for fully-vaccinated people, please remember:

- People may have cancer
- People may have autoimmune diseases
- People may have unvaccinated children at home
- People may have high-risk loved ones they are protecting
- People may have asthma and have realized over the last year that their symptoms are alleviated by a mask outdoors
- People may be unvaccinated

*Please be kind.*
