Student Speakers

Students in the Chula Vista Elementary School District experience a rigorous 21st Century learning environment that is rooted in effective teaching practices and high-quality instruction.

The District's mission is to nurture every child's imagination, intellect, and sense of inquiry. Working collaboratively with stakeholders, they tap a collective intelligence rich with the spirit and creativity necessary for students to become difference makers in our community.

Our local K-6 School District was founded in 1892 and has more than 30,000 students enrolled in 44 schools.

We are looking forward to being inspired by the students this week. See you Friday!

For This Week and Next! Support CV Animal Care Facility

On March 13th, Rotary Community Projects presents Cheryl Cox and representatives from the Chula Vista Animal Care Facility (CVACF) as our program. This program will highlight our annual project in support of this important community facility. As we do each year, we will be collecting items they need (please see "Wishlist").

This year there is an additional giving/support opportunity. The CVACF is in need of beds for the dogs and cats they house. If you would like to make a monetary donation towards that need, please see the information below (dog beds \$135; cat beds \$50).

Through Community Projects Committee, our Rotary Club is donating funds to purchase a dog bed and two cat beds. We will present that check on the 13th. If you would like to donate 'wish list' supplies, please bring those to our meeting on March 6th or 13th.

EVERYONE who donates money and/or an item(s) for the Animal Care Facility will receive a special 'thank you' from our friends at Chick-fil-a.
