## March 9, 2018 *CVESD Speech Contest Winners*

We are again honored to have the winners from the speech contests throughout the Chula Vista Elementary School District recite their speeches for us. Every year we are “blown away” with the skill and enthusiasm of the presenters, each of which have won their grade-level competition among all the elementary schools in Chula Vista.

Our own Francisco Escobedo (Superintendent of CVESD) will introduce the speakers, their parents and school administrators.

This was one of those reality programs where we were educated on the seriousness of the local human trafficking problem right here in San Diego.

Sisters Judy Sheridan and Christina McClean gave us several facts:

- 80% of all human trafficking happens in our country.
- The San Diego area is fourth in exploitation of children
- Most recruiting is done in our schools, but the schools have introduced educational programs to counteract the menace.
- At Mary's House they have a long term program to facilitate adults to get the needed education and other help to become productive citizens
