We will be helping with food distribution in partnership with Lutheran Social Services and St. Mark's Project Hand. There will be no formal sign-up sheet, you just show up at the church. A reminder will be sent to Rotary Club members (and it's a great opportunity to invite prospective members!). If you need to leave early that is OK - just let the site coordinator know.

**When:** Friday, October 14, 8 –11 am; will include standing. (Food ran out much earlier than 11 when we helped in August).

**Where:** St. Mark's Lutheran Church, 580 Hilltop Drive, CV. **Park on I street.**

**What:** First hour (8–9 am) volunteers will put food into boxes/bags that will be given to families & individuals. Drive-up & walk-up lines open at 9 and continue till food is gone.

**Who to contact when you arrive:** Johnny Vilorio, Project Hand Manager. He will coordinate what area needs your assistance.

**Water:** Water will be provided. Take a break if needed.

**What to wear:** Comfortable clothing, shoes, hat depending on the weather that day. Wear your Rotary t-shirt! They will provide a safety vest to wear, but if you have one wear it.

## BOB'S BIONIC KNEE

**ON THE MEND:** Anyone getting a new knee may want to touch base with Bob Bliss. He is NOT even limping just one month since his knee replacement surgery—truly impressive!

### Supporting Education

Worldwide, 67 million Children have no access to education, and more than 775 million people over the age of 15 are illiterate. Our members support educational projects that provide technology, teacher training, vocational training teams, student meal programs, and low-cost textbooks to communities. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.
