BIG TABLE
September 9, 2022 - Noon

Jesse Vigil is Big Table's San Diego City Director. Jesse's life experiences include a stint in the Navy, pulling rabbits from a hat, and life as a youth director. His latest trick is caring for restaurant and hotel employees through Big Table.

Big Table exists to see the lives of those working in the restaurant and hospitality industry transformed by building community and caring for those who are in crisis, transition, or falling through the cracks.

Big Table's third location launched in San Diego in 2019. San Diego is home to over 7000 restaurants, 500 hotels and there are roughly 186,000 employed in the industry. The average cost of living for a single parent with one child is \$55,000. The average pay for a full-time employee is \$28,849. Big Table comes alongside these hardworking individuals when they experience a temporary setback to offer support, encouragement and hope.

Supporting Education
Worldwide, 67 million Children have no access to education, and more than 775 million people over the age of 15 are illiterate. Our members support educational projects that provide technology, teacher training, vocational training teams, student meal programs, and low-cost textbooks to communities. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.
