A message from President Glenys

So many exciting adventures over the last month and many more ahead of us.

The Lake Mac Autumn Fair gets closer every day and planning is progressing fantastically thanks to many amazing Rotarians.

I spent last weekend at PETS [President and Secretary Training] Not only training but also meeting new friends and old. The implementation of our new district 9660 [due in July 2022] is very interesting and inspiring. We live in an exciting age of technology and to be able to share the weekend with Rotarians in Tamworth while we were in Morpeth made this a special weekend.

My apologies for the delay in collating this *In the Loop*, but sadly there aren't enough hours in a day.

I look forward to see all members at Warners Bay Sports Club on Wednesday this week. If you are Zooming in, please let me know and we will do our best to get our Zoom link up. As yet we haven't tested this at the club.

Have a great week and we look forward to hearing about your sunshine moments.
