Message from President Glenys

What an interesting start to the new Rotary year!

Lots of plans unfortunately put on hold as we

experience another dramatic wave of COVID. The Delta strain is causing a lot of new challenges for the people in its path.

As our **Changeover** and awards night was postponed, the 2021-2022 Board have taken the reins and we look forward to another year. **Every day is a new adventure.**

My aim for this year is to be *plan driven rather than event driven* so in this *In the Loop*, I have created a page of ideas for planning a House and Garden stall for Lake Mac Autumn Fair. Speers Point Park is booked for 30th April, 2022. Think about craft items, garden items and home decorating ideas. No time like the present to start thinking about ways to raise funds to continue our Rotary service.

The new date for our gala Changeover and Awards night is August 9th. Theme is **Colour Our World** so find as many ways as possible that you can add **Red, Yellow and/or Blue** to your attire for the evening. [The updated invitation is attached]. DG Amanda Roach and PDG David Roach have accepted our invitation to attend.

Speak for Peace – Our positive Peace project includes a Public Speaking competition for students in Stage 3 at our local schools as well as placing Peace Poles at Warners Bay PS, Valentine PS, Biddabah PS and Eleebana PS. We have applied for a Rotary Foundation grant to assist with this project and have recently been approved for \$1300. Very excited as this is a great project initiative.

Storage of Club property - I would like to thank Paul Burchell for his support in relocation of our club's stores. We will be transferring the contents of our rusty old shipping container to a space in Paul's Storage sheds at Bennett's Green. It's a great opportunity to have a clean out and to reorganize.

How can you help? – We will need shelving as well as plastic boxes.

If you have any spare sturdy plastic boxes or would like to make a donation to the club for this purpose, please contact Glenys.

I'm looking forward to sharing a very busy Rotary year with you and being a part of our vibrant Rotary club as we undertake a wide variety of amazing projects.

Next Meetings:
6:15pm for 6:30pm
Monday 26 July
Guest Speaker: Evan Gardiner, RFS
*
Monday 23 August
Guest Speaker: Shaun Stoneman and Jesse Lackey from RC Newcastle Discovery Passport Club

Club Macquarie
The meal and meeting will be held in the one room
Rec Lounge
*
The Club staff commence serving dinner at 6:30pm
Please ensure you have arrived, paid for your meal and found your seat by this time.

Thanks!

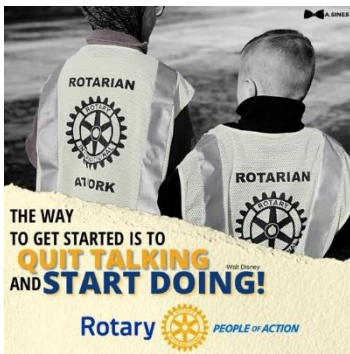

SERVE TO CHANGE LIVES

Rotary Theme * July

July is the start of new Rotary officers' year of service.

What can you do while staying at home to avoid COVID?

Photos – spend hours of fun sifting through your memories while searching for Rotary photos to add to our Archives

- Sort through your digital photos and share to RCWB One Drive folder. Glenys has shared the link to our One Drive photos to share folder.
- Label and date photos if you can.
- Especially need *Rotary in action* photos for updating our signs
- Photos from past events for our archives as well.

An idea for the next Lake Mac Autumn Fair...

A House and Garden Stall.

What can you do while staying at home to avoid COVID?

There are many ways to keep our hands busy, while enjoying a bit of sunshine or watching TV. We can combine our projects and create a stall for Lake Mac Autumn Fair and/or use some of our creations as donations for the charities we support.

How Creative Are You?

What useful items can you create from recycled materials? Perhaps you like working with timber or enjoy tinkering in the shed.

Here's some inspiration for you ...

Alan collects old timber including paling fences and driftwood and uses it to create these beautiful chairs and a range of artworks. If you are ever in the Arrawarra Headland/Woolgoolga district, catch up with him for a chat.

French knitting kits

Sort your wool collection and roll small balls of wool ready to make up French knitting kits.

[Balls to be approx. 40mm in diameter]

Knitting/Crocheting - squares

Wraps With Love

<https://www.wrapwithlove.org/>

[This site includes patterns and ideas for Blanket squares] A great way to use up left over wool

Gardening

Enjoy some sunshine pottering around in the garden. Pot small plants that can be sold at markets. Perhaps succulents or cuttings from your garden plants. You could even use recycled materials for the pots.

Sewing

- Masks
- Scrunchies
- <https://www.madeeveryday.com/scrunchie-video/>
- Tote bags [Survivors R Us make tote bags for people to use when collecting groceries]. Let's help too.

Knitting/Crocheting - Dishcloths

A great way to be sustainable – make your own dishcloths – cotton yarn is good for creating reusable cloths.

Glenda recommends this site for fun patterns

https://www.knittingpatternsgalore.com/item_type-dishcloths.html

NOTE CHANGE OF DATE

Rotary
Club of Warners Bay

SERVE TO CHANGE LIVES

warmly invite you to our
Annual Changeover Dinner

at Club Macquarie, 458 Lake Road, Argenton

~~Monday 28 June 2021~~
Monday 9 August 2021

Fellowship from 6:00pm
for a 6:30pm start

2-course Meal
