

A message from President Glenys

Well done to everyone who has been assisting with the **Christmas Trailer Raffle!** Every day seems to be record sales whether we are at Mt Hutton or at one of our local markets. Our online raffle is selling steadily as well. When you see it on Facebook, please remember to hit LIKE and SHARE which will continue to get our message across. Thanks to Glenda for getting news of our raffle in the District Chit Chat, as that has a link to the online raffle as well.

The thing I find fascinating is, how easy it is to sell our raffle tickets. Not only have we got an amazing prize but so many people are happy to buy tickets [or donate] just because we are Rotary! It is great to share the projects we do and to hear about how Rotary has played a role in so many different lives. We are meeting people who have great stories to share, and who are willing to come as a guest speaker to share their adventures with us.

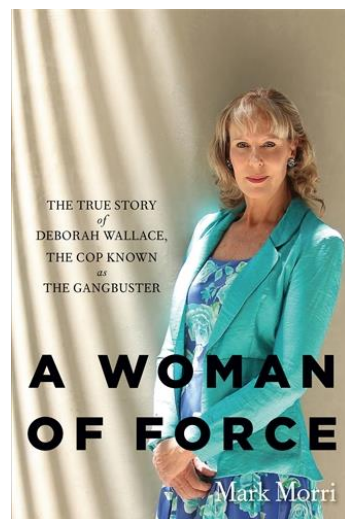

Monday night is our **Annual General Meeting** to elect members of the Board for the Rotary Year 2022 – 2023 which begins in July 2022. We look forward to your support as we continue to *Serve to Change Lives*.

Keep up the great work, RC Warners Bay

GROWING ROTARY

Our guest speaker at our last dinner meeting, *Detective Superintendent [ret] Deb Wallace*, had a very inspiring story to tell. Look for her book on Google

Monday 22 November – Annual General Meeting

Whats happening at the AGM?

1. Dinner
2. 200 club
3. 7.00pm Zoom begins
4. Planning, thinking and chatting
5. Election of Board members and Club liaison positions.
- 6.

At the Annual General Meeting, all positions will be declared vacant. It is imperative that we have a Board whereby members of RC Warners Bay can guide the ideals of Rotary through the projects that will benefit our local and international communities. Our Club is changing rapidly as our world changes, so we are looking to the future to create a club that is successful in all endeavours.

Our aim is to work together efficiently

Sadly, many positions sound overwhelming but as we move to the future, the Board members will be working with all members of our amazing club to build on the projects we have in place and the projects we will work towards in the future

The Board Executive are the core members of the RCWB Board.

Liaison officers work in conjunction with the Executive, share an understanding of their focus area with club members and attendance at Board meetings is optional.

For more information about roles and responsibilities, please see the RCWB By Laws which are attached to this *In the Loop*.

SERVICE DIRECTOR

Kerry

Community-

Survivors BBQ breakfasts continue every second Thurs (next date Nov 25th). Helpers needed, please add name to roster or give me a call.

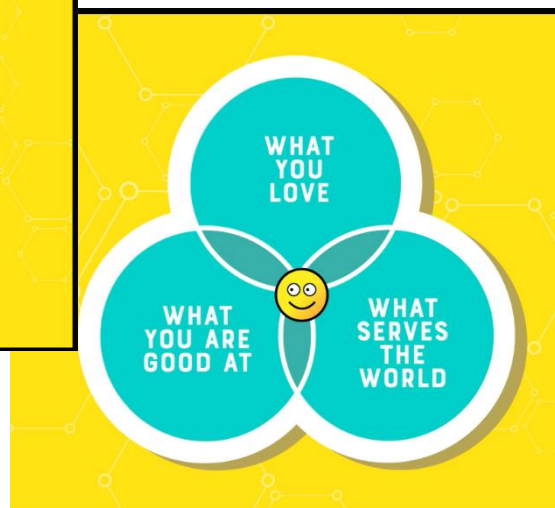

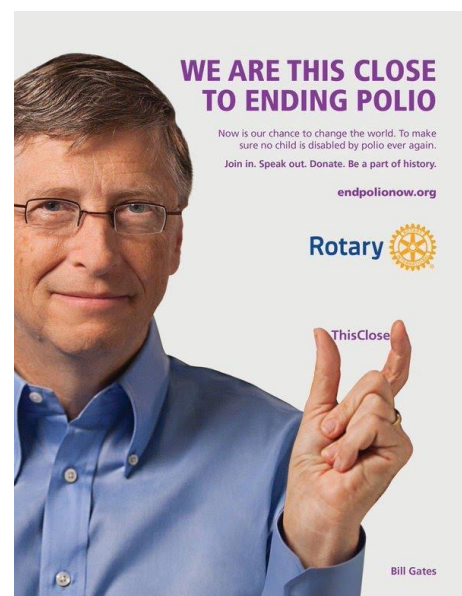

A few of our members attended the International Men's Day event at Survivors on Thurs 18th. An opportunity to meet Survivors staff, other Service organisations, and Pat Conroy. Hopefully the new year will bring opportunities for our club to get out in the community. Not only to fund raise, but to raise our profile, and look at ways we can develop projects to help all ages in our community.

END POLIO-

Sadly there were 2 reported cases of wild polio reported in the last week, bringing the total this year to 4. The new cases were a 25 month old baby boy, and a 10 month old baby girl, both in Afghanistan. Vaccination programs have been ramped up in these areas.

This highlights the fact that we must remain focused, remembering we had 133 cases for same period last year.

Many clubs, including ours, held events to mark World Polio Day in October. All clubs, around the world, need to keep raising awareness and funds for the END POLIO cause if we are to rid the world of this terrible disease.
