## A message from President Glenys

Happy New Year.

This is the first newsletter for 2022 and my apologies for the delay in getting it to you. [Covid caught up with Steve and I and Barry]

I was pleased to attend the **launch of our satellite club, North Lake Mac** on the banks of our beautiful lake on 15<sup>th</sup> January.

Craig inducted Justin, and I was happy to welcome him to the club. Sadly, the evening ended abruptly with a massive downpour but it had been good to share this important event.

**Lake Mac Festival**, 22-23<sup>rd</sup> January saw both RCWB and Nth Lake Mac participating. At the free community breakfast at Croudace Bay we cooked sausage sandwiches, while other community groups provided egg and bacon sandwiches, pancakes, cereal, fruit etc. This was all sponsored by LMCC.

Nth Lake Mac set up a stall at the Twilight Markets at Warners Bay to sell books and had a great view of the amazing fireworks display.

Covid has caused a few cancellations, including the launch for the next tour for **MHERV** at Hawkins Village on January 28. We wish RN Bill Power, a successful first tour with MHERV as he heads down the south coast.

As January leaves us and February appears, there is only a couple of months until **Lake Mac Autumn Fair** on Saturday, April 30<sup>th</sup>. There are many members of our club and other clubs in our area working towards creating another very successful event.

Erin and I have been working together to build on our **Backpack Blitz project**. After she created the flyer and placed it on Facebook, we had several donations towards new bags to present to schools in our area. As I have been in covid isolation, she has done the shopping, picked up the items we collected last year from the storage shed [thanks Bernie] and packed the bags. These will be delivered to schools this week. More donations are always appreciated.

Thanks to Toni M for several lengths of blue fabric. Sue Hooper and I have made these into **tablecloths** for our club. It would be great to have them printed with our club logo.

So lets get busy and have another great year
