

November 2015

PRESIDENT: BRYAN GUST

SECRETARY: KEN HEINZ

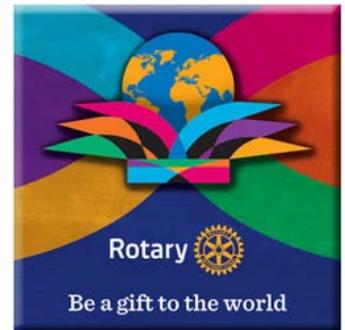

TREASURER: AL BASKIN

PRESIDENT-ELECT:

2015-16 Rotary International Theme:

Be a Gift to the World

"All of you have been given so many gifts. And you have now been given this great gift: one year to take all your talents, all your gifts, everything that you are and can become -- and Be a Gift to the World,"

PRESIDENT'S MESSAGE ... This last month was our opportunity to showcase the two longest-running community service projects since we were chartered. We hosted 840 runners for our 28th Annual Fun Run and we presented the Rotary Bowl trophy for the 23rd time. Rancho Bernardo again hoisted the trophy after a spirited game that ended with a score 45-20. These two long-standing events prove that all members of our club are truly "gifts to the world", as well as our community. All of us should be proud that we have kept alive these two annual events. Thank you to everyone who volunteered to spread the spirit of Rotary. As we gather for Thanksgiving this month, let us all be proud of our accomplishments and give thanks for all the lives that Rotary has impacted. YIR / Bryan

28TH ANNUAL ROTARY FUN RUN ... more than 840 elementary and middle-school runners participated in this year's cross country event. The 3rd through 5th graders ran a 1.0 mile course, while the middle-schoolers, Grades 6th through 8th, ran 1.8 miles. Everyone was given a ribbon and oranges and water at the finish line.

ROTARY BOWL ... the 24th annual game between Mt. Carmel and Rancho Bernardo high schools was held on Friday, October 23rd. The game was close into the second quarter, but then that odd shaped ball began bouncing around and away from the Sundevils. The Broncos took every advantage and the final score was Rancho Bernardo 45 - Mt. Carmel 20. President Bryan presented the trophy to the winning team and got out of the way as they celebrated!

SOCIAL EVENT AT CORDIANO ... several Club members, with family and friends, had wine and pizza at Cordiano Winery on Sunday, November 1st. Good wine and food ... great views of the Highland and San Pasqual Valleys to the west and north.

The zig-zag ride, six miles up Highland Valley Road from I-15 and Pomerado Road was a lesser highlight.

Most agreed that wine and pizza with good people was better than chips and dip in front of the TV watching the Chargers lose yet another game.

Thanks for the picture Brent!

Can you match their names to their picture? Then, can you match them to the number of units produced?

FUN ROTARY FACTS ...

THE ROTARY FOUNDATION'S BEGINNING

Some magnificent projects grow from very small seeds. The Rotary Foundation had that sort of modest beginning.

In 1917, Rotary International President Arch Klumph told the delegates to the Atlanta Convention that "it seems eminently proper that we should accept endowments for the purpose of doing good in the world." The response was polite and favorable, but the fund was slow to materialize.

A year later the "Rotary Endowment Fund," as it was first labeled, received its first contribution of \$26.50 from the Rotary Club of Kansas City, which was the balance of the Kansas City Convention account following the 1918 annual meeting. Additional small amounts were annually contributed, but after six years it is reported that the endowment fund had only reached \$700.

A decade later, The Rotary Foundation was formally established at the 1928 Minneapolis Convention. In the next four years the Foundation fund grew to \$50,000. In 1937 a \$2 million goal was announced for The Rotary Foundation, but these plans were cut short and abandoned with the outbreak of World War II.

In 1947, upon the death of Paul Harris, a new era opened for the Rotary Foundation as memorial gifts poured in to honor the founder of Rotary. From that time, The Rotary Foundation has been achieving its noble objective of furthering "understanding and friendly relations between peoples of different nations." By 1954 the Foundation received for the first time a half million dollars in contributions in a single year, and in 1965 a million dollars was received. It is staggering to imagine that from those humble beginnings,

The Rotary Foundation is now receiving more than \$85 million each year for educational and humanitarian work around the world.
