

# PLEASE HELP INDIA!

In January 2020, three Rotarians and their wives from the Rotary Club of Rancho Bernardo traveled to India to participate in a Mega Polio Campaign hosted by the Rotary Club of Agra Tajmahal in Agra, India. It was an amazing journey and experience that was truly life changing.

In light of the crises facing India with the COVID-19 pandemic, the Rotary Club of Rancho Bernardo is raising money to help our fellow Rotarians in Agra, India provide COVID-19 Support Kits to community members. India is experiencing an unprecedented surge of people flooding hospitals after testing positive. These kits will allow people to quarantine at home while monitoring their temperature and oxygen levels. Check out a current story on KGTV 10 <https://www.10news.com/news/local-news/rancho-bernardo-rotary-club-answers-call-for-help-from-indian-group>

They have built 400 kits with a goal of 1000. Each kit is \$50 so we need \$30,000. Any amount will help. The Rancho Bernardo Rotary Club Foundation Inc will collect money for forwarding to The Rotary Club of Agra Tajmahal. Please forward any donations to <https://gofund.me/1b96ae60> or RB Rotary Club Foundation, PO Box 28501, San Diego, CA 92198-0501. Make checks payable to RB Rotary Club Foundation and write "India COVID Relief" in the memo line. Thanks in advance for your contribution to this urgent cause that means so much to us.
