PROGRAM

Our gracious host for today was fellow Oceanside Rotarian MICHAEL JENKINS, Community Liaison for The Hacienda Mission San Luis Rey. As for all our meetings, you needed to be present to fully appreciate the program. In this instance, that was particularly true! Here are a few highlights of MICHAEL's presentation which was followed by a personal tour of the beautiful facility.

And, being Valentine's Day, everyone in attendance received a gift box of chocolates, with BOB PICKREL showing his sweets off in true BOB style.

The Hacienda Mission San Luis Rey is one of over 40 Watermark Retirement Communities in 16 states

spread across the United States and 1 of 8 in California. Opening about 16 months ago, The Hacienda is a RCFE facility (Residential Care Facility for the Elderly) and is now more than 50% full. It offers the entire spectrum of care including independent living, assisted living, and memory care. The Hacienda has 4 restaurants, an art center, a luxurious screening room, piano bar, chapel, heated swimming pool, and pickle ball courts just to name a few amenities.

A SPECIAL NOTE FROM MICHAEL JENKINS

The Hacienda Mission San Luis Rey is a sophisticated new community for today's modern seniors. Located in Oceanside, CA on the grounds of The Historic Mission San Luis

Rey. A place where members can soak up the serenity of this spectacular destination.

The Hacienda is rooted in the traditions of hospitality, bringing together intentional design and innovative programming to enhance overall well-being. The community features 103 Independent Living, 86 Assisted Living and 24 Memory Care Residences. Residences and common spaces are designed in the Spanish Colonial Revival style.

Other features include private garden spaces, covered patios for dining and events, an outdoor heated pool and even a pickleball court. Other resort-style amenities include four upscale restaurants, a screening room, an on-site spa and salon and a fitness and wellness center.

At The Hacienda, life is an adventure waiting to be embraced. Visit the website to learn more at haciendamission.com or call to schedule a tour with Michael Jenkins, Community Liaison 760-826-2900.

In closing, MICHAEL invited attendees to join the Hacienda for a pizza night sometime in the future since there ended up being a few unexpected challenges with the timing of today's free lunch for us, with both the facility's Chef and Sous Chef out sick today. When the meal was eventually delivered, it was a delicious lunch. Thanks again MICHAEL. We are looking forward to taking you up on the pizza night offer.

SPECIAL NOTE - Attendees were asked to donate \$20 at the meeting for Polio Plus. As a result, we collected an additional \$440 towards the District Challenge Goal of \$1200, leaving us only \$135 short and with 4 months to reach our goal.
